Dear Fellow Internet Marketer:

I'm very excited today to announce that I am giving away a limited number of copies of my popular WordPress Blank Canvas Sales Page Theme.

This awesome theme allows you to create **high impact** product sales letters, email squeeze pages, affiliate product review sites and other pay-per-click landing pages with ease.

The image to the right is a screenshot of a sales letter built with this great theme. It is highly customizable and is completely compatible with other WordPress plugins. [Click here to get it now!](#)

Here are a few of the features of this **POWERFUL** free sales page theme:

- ✓ It is a single column theme, which means there is no sidebar to distract your website visitors from your sales message.
