eBOOK SUMMARY

So you've read all the guidebooks. You know where to go, what to see, and what to eat. But what about the everyday situations that leave non-Italians so perplexed?

- How do you catch the right train?
- What are the top items to bring home from your trip?
- What are the different types of...
- What should you remember...

↓ Click Link Below ↓

With humor and plenty of "real life" examples, this guidebook can help you navigate the Italian train like no other guidebook can.
