## Aromatherapy eBooks

Awesome eBooks -- tons of essential oil recipes, tips and tricks

eBooks are a **great time saver**. You don't have to search all over the internet for reliable information, you don't have to print off any good recipes you do find, and you don't have to wait for your book to finally arrive in the mail. Instead, get essential oil recipes, tips and tricks on your computer, tablet or smart phone right now!

These aromatherapy eBooks are **good for beginners** and folks who **just wanna make stuff**. They cover some essential oil education, but they focus most on recipes and blending. They're written to help you play and experiment and **learn how to use essential oils** in your every day life. Enjoy!

Learn how to make more than 40 natural home remedies & recipes using Lavender, Lemon, Oregano, Peppermint & Tea Tree.

Over 70 Instant Tips to get started right away.
