Dear Friend,

**You're probably making critical mistakes in your efforts at fly fishing and don't even know it!**

These mistakes will not only harm your chances of catching many fish, you won't experience the true fun of fly fishing as a result of your lack of success. I've trained a lot of people to become fantastic at fly fishing and love passing on the joy of my life long passion. But I have to say, I'm incredibly frustrated at the lack of quality fly fishing guides out there.

Not only are they not comprehensive enough to answer most of the common questions that I get asked to me, but they don't include enough pictures and some of the skills really require
