

Attention All Party Plan & Direct Sales Consultants:

Free Party Plan Mini-Course Will Have You TRULY Partying For A Living By TOMORROW!

Keep reading to find out how you can FUN with your in home demos and profit from them...

Thursday, 4:27pm

Hi! I'm Susan Whitehead and I started in the Direct Sales party plan industry in 1997 and have never done a standard party demo. You've probably been to parties like I've been to...where the consultant just seems like he or she is just going through the motions. Guests are glancing at their watches, just counting down the minutes until they can place their order, IF they even place one, and excuse themselves to go home.

And those people think party plan businesses or network marketing is supposed to be boring. But I'm guessing that, because you're here, you want to make your in home demos more like a real PARTY than a sales presentation, right?

I'd like to invite you to sign up for my free mini course where you'll get tips and free games sent to your inbox each day for 6 days.

In my FREE Party Plan Games Mini-Course, you'll learn:

- ✓ How a simple sealed envelope can drive your sales and booking up
- ✓ Why barn yard animals can be welcome guests at your next demo (Day 2)
- ✓ How to break the ice (Days 3 & 4) by finding out about everyone's weird neighbors (and read about MY neighbors that left an UNFORGETTABLE impression!)
- ✓ That pushing attendees to think can make your party more fun (on Day 5)
- ✓ Whether telling a LIE at a party can help your business...or not! (Day 6)
- ✓ And much more...

Yes, Susan! I Want to Learn the Secrets of
Really Partying For A Living Using FUN
Games Starting Tomorrow!
