

From renovation projects on a grand scale and making millions, to discovering how to fix those annoying little problems that go wrong and saving thousands - the 'Property Development for Profit' ecourse by Dr. Dennis Coote is for anyone who owns or rents a property!

This ecourse is special in many ways.....

Money, and lots of it, is not the only result of knowing exactly how to renovate and refurbish property.

- One of the greatest achievements is in restoring a building, giving it back its pride and beauty!
- there is also the massive satisfaction of being able to deal with any minor (or major) problem that can occur in properties
- or imagine if you need to call in an expert you will know exactly how much he should charge
- and you know how to speak to the 'professionals' in their own language (which drastically reduces their 'estimate and quotes' to you!)

Dennis has organised the renovation of a property and is still actively renovating, re
