Find Out How Someone With Zero Wood Working Experience and No Specialized Tools Makes BEAUTIFUL and STRONG Wood Stand Up Paddles at Home in ONE DAY or Less with Wood You Can Find ANYWHERE!

Learn how it all began...

Sunday 23 November, 2014.

Fellow Stand Up Paddlers,
If you want a new wood stand up paddle for the price of common wood, you have found the solution! With these simple plans, in one afternoon you could shape and **make your own stand up paddle**. Let it dry overnight and it's done. All you need is a little more than some common tools and wood you can get anywhere.
Get the **complete plans for THREE different methods** of building your
