## How to be Successful in Your Arts & Crafts Business EBook By David Robertson

Welcome to the **How to be Successful in Your Craft Business** Ebook. My name is David Robertson and I have been in the craft business for over 20 years now. Whew, time does fly! I am an artist blacksmith and you can find more information about my specific craft at [My Books and DVD's](#).

I certainly have made many mistakes along the way, in my craft business. More often or not, have done things the hard way. I have learned a lot and am still learning. The school of hard knocks they call it. Well with this
