## Background Band Music For YouTube

Background Band is the perfect place to find quality music for all of your commercial and personal YouTube videos as well as other projects.

We have created all of the music in our music library. Therefore, we are able to offer our music for use to others in an affordable fair way. All of our music can be used for any project, including commercial projects, without any royalties or restrictions on use.

[Click The Play Buttons Below For Sample Tracks](#)

Over 100 Background Music Tracks Available!

Only \$5 for a Lifetime Membership!

Background Band provides music for your YouTube videos and other online projects. We are different from most music sites, because we allow you to use our music on commercial projects royalty free.

We provide this music royalty free for a small one-time fee of only \$5 for a lifetime of use.

No hidden rules on the use of our music, and no monthly or recurring fees.
