At last - *how* to make a small business profitable!

"Will Mason is one of the world's 'golds' of business self improvement. As a successful small business owner and author myself, what he captures so forcefully should not be kept a 'secret' from any small business owner."

--Steve Silbiger, Author of *The Ten-Day MBA* and Founder of Plymouth Direct, Inc., Philadelphia, Pennsylvania, USA

**Welcome to my site!** If you're a small business owner, and you want your small business not only stay above water but take off like a rocket, you've come to the right place.

*Secrets of Entrepreneurial Success: Ten Steps to Running Your Own Business* is a simply written, easy-to-understand, packed-with-info working **manual** that'll show you how to:

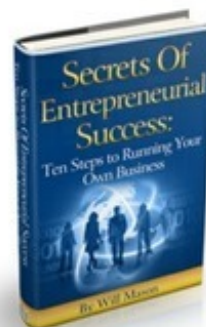

- understand, plan, organize, run, manage, market, finance, protect, and finalize your business
- make more money than you ever dreamed possible
- grow your business in leaps and bounds (if that's what you want), and
- make a fortune when you sell up and retire

Written by a small-business owner for small-business owners, I understand how difficult entrepreneurship can get in the trenches.

So to help you run your own small business as well as you possibly can, order now by going to the [Order and Guarantee](#) page, or navigate the buttons on the left-hand side to find out more.

Yours in business success,

**Will Mason**
