

## Welcome to the Restaurant Management Center

We offer the most comprehensive list of tools to help restaurant managers and restaurant owners help themselves. These tools include restaurant marketing promotions and restaurant marketing ideas to help grow sales as well as a full selection of restaurant management tools, tips and videos on how to start a restaurant. We are also one of the first hospitality based companies to develop, design and distribute restaurant marketing viral videos for restaurants, cafes and hotels. Along with tools to help in the design of your restaurant menus we also offer a full selection of restaurant menu templates for all your food and beverage menus. Our tools, ideas, marketing promotions and tips have been used successfully by restaurants, cafes and hotels from around the world since 2003.

## Our Restaurant Management Tools

We offer 3 product suites, our CLASSIC, GOLD AND PLATINUM versions. Each of our versions are digitally delivered, that means you can download instantly to either your PC or Mac today. All of our digital products are backed up by our 100%, 60 day, money back guarantee so we stand behind what we sell. Each of our suites have been designed and packaged to provide you with the most up to date industry information, templates and restaurant forms. Our suites are a combination of over 20 years worth of research to design the most up to date restaurant marketing promotions, restaurant training manuals, cost control spreadsheets, restaurant menu design, menu engineering and education. Every single item included in our products suites has been tested and used in hundreds of restaurants, cafes and hotels across the World. Our suites will work in any English speaking country of the World and have been designed to work in restaurants, cafes, pizza shops and delis. We have spent a c  
achieve your goals in your own hospitality business.
