

A Marketing Plan Template, PLUS!

Your business is UNIQUE! A Marketing plan template is a universal, one-fits-all solution - How can that work? **You need more!**

Trying to fit a marketing plan template is like someone wearing else's suit - it needs adjustment!

The most effective way to draft a knockout marketing plan is to **use a comprehensive marketing planning workbook that fits with a simple marketing plan template.** Together, you'll write a better marketing plan - with corresponding results!

We've thrown in a HUGE bonus! See below...

Have you been asked to prepare a comprehensive Marketing Plan, on which your future, your career, and your reputation relies?

If so, then we know exactly what you're going through.

There is no greater challenge than to create, develop and complete a knock-out Marketing Plan - particularly if you've only done a few - or none at all!

The more you get into it, the more you realise what a mammoth task it is, and **how much work and thought needs to be done** and the extent of issues that need to be addressed.

Until **now** the only way to develop a Marketing Plan was to download a template off the web in the hope of adapting it... making it fit so you develop something meaningful, professional and functional... but this doesn't work! Why? Because **EVERY organisation is unique, EVERY industry is different, EVERY set of competitors varies, and EVERY market segment has its own singular anomalies**, which all means a template is virtually useless, or worse a dead-end distraction!

That's why we're thrilled to offer a really functional, and
