Testimonials

"This is a very good alternative to thinking for complete beginners."
-Becca V.
Thunder Bay, Ontario, Canada

"As an adult beginner I have found this method of 9 target notes very helpful. I keep the 9 target notes on a piece of paper on my music stand to refer to and as a result I am recognising notes much faster than before. This method is logical and easy to understand."
- Kari J.
Liverpool, England

"I've always wanted to play piano, but thought I was too old and it
