**WHAT IS THE BETTER HORSE RACING SERVICE?**

I am an owner and former Jockeys agent who has been involved in the inner circles of Horse Racing in England and Ireland for over 25 years this has helped me become a "Better" bettor. It has enabled me to make contact with jockeys, trainers, owners, proven stable contacts and other well connected people from within the Horse Racing Industry. Add to this an encyclopedic knowledge of the Horse Racing Form Book and you have a very formidable gambler. One of the advantages that I have as a professional gambler is that I am on the Racecourse most days and this is without doubt one of the best places to meet the right people within the industry and pick up information and snippets about the Horse Racing Game. Without being disrespectful a lot of Daily Bettors are not advised what Horses are fit and well prepared and are ready to try and win there Race in question. By being on the Racecourse and speaking to the right people I have a head start when it comes to finding these things out!!
