Because It's Fun to Play Guitar...
But Why Not Make MORE Money?

Need to Make More Money with Your Music? Want To Learn Some Easy Tricks and Techniques to Increase Your Chances of Winning American Idol, like Phillip Phillips, Scotty McCreery? It's All Here in Acoustic Guitar Money, The Best, and ONLY Online Lesson Book with The Secrets to Making Good Money Singing and Playing Guitar at Live Solo Acoustic Guitar Shows, Training Properly For Competition Try Outs, & More!

"Are you serious? How in the world can I start making good regular money with my acoustic guitar--and train for American Idol? And I can do this even if I don't play guitar??"

"The answer is YES! I play live acoustic guitar music almost every week of the year, making good, regular money---and I'm going to show you exactly how you can do it, too---even if you don't play guitar and can't even sing! And lots of people are now using live acoustic guitar shows to train for American Idol and other competitions---read below!"

From the Desk Of,

Rox Murphy
Artist, Acoustic Performer

There are lots of books online about how to play guitar, singing lessons, etc. But none that I've seen that tell you specifically the best ways to make money with your guitar without having to join one or more bands, wear yourself out trying to make ends meet, and feeling like you can't win. Instead of going solo, most guitar players, songwriters, and artists looking to make money usually try to join or form a band. That can be a good thing in time, but it can be tough to get all the right players together that think the same way you do, buy all the equipment, market the band, learn all the songs, practice, and try to book gigs that pay well enough, which doesn't happen for a long time for bands that aren't established. Not that being in a band is bad---it just requires a lot more time and it's harder to make good money.

And if you're like I was, you need money NOW, not a bunch of expenses and waiting around---right? Well, there is a better way, if you want some fast, fun, weekly music income or want to train to try out for American Idol or other competitions---without working a lot of long, bad hours for little money.
