

QUILTS for JAPAN

"日本のキルト"

"Providing warmth, support and hope to the victims of Japan by making and sending quilts"

Quilts Desperately Needed

In an effort to provide warmth and comfort to the survivors of Japan's catastrophic events one quilt at a time, quilters are being called upon to make and donate quilts to be distributed to the affected areas.

Thousands of people have been left homeless with only the clothes on their backs and the Red Cross has stated that amongst all of the shortages, blankets are one of them.

Quilts should be no larger than 50" X 70" in an effort to reduce shipping costs. They can be of a simple design as these are urgently needed.

Once you have your donation ready, or if you have any questions, please contact Bev at: glassylady@shaw.ca 403.274-4193. Quilts will be distributed through Grace Christian Fellowship on behalf of CRASH (Christian Relief Assistance, Support and Hope)

You can also find "Quilts for Japan" on Facebook.
