

# **“Let Your Life Speak”**

## **Soul Collage® Retreat**

Take a Mid-Winter Break.

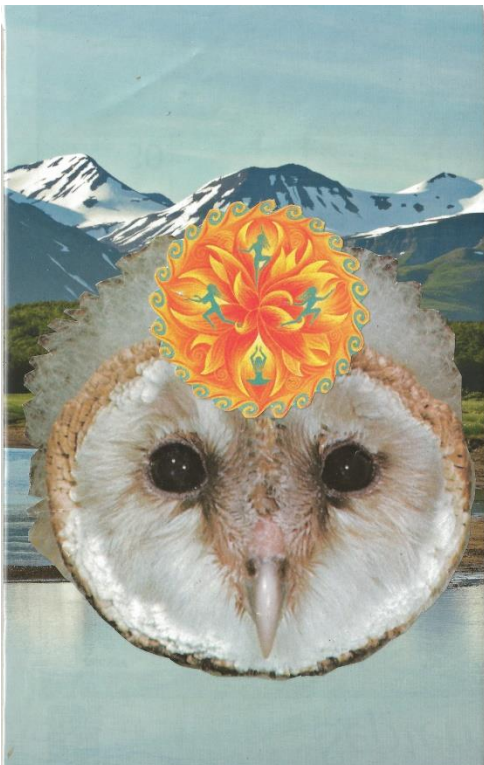

Give yourself time to Listen to your Soul  
and the guidance it has to offer through the  
tool of Soul Collage®.

Cutting and pasting found images calls forth  
the creative child in each of us.  
Using intuition and imagination we discover  
that our chosen images  
lead to greater self-understanding and  
guidance from the wisdom we carry in our  
souls.
