### **"A MUSLIM PERSPECTIVE ON RECENT WORLD EVENTS"**

**The daily drumbeat of news from the Middle East, North Africa, and more recently Europe, associated with terrorist groups claiming to commit acts of violence and political conquest in the name of Islam has raised many questions in the minds of non-muslims about the tenets of the Islamic faith. Increasing numbers of our neighbors and professionals who serve our community are Muslim. How does their faith influence the way they relate to others? How do they view their non-muslim friends and neighbors? How do educated Muslims view "Islamic jihadists" and the goal of a revived "Caliphate"?**

**The Greater Lansing Community is invited to join the Haslett Community Church Christian Faith and Current Events discussion group and the Greater Lansing Chapter, United Nations Association, in a program designed to educate and promote greater cross-cultural understanding and respect in our increasingly interdependent world.**

**The event is free. Light refreshments will be served.**
