Here is what some recent dad grads have said about the class . . .

- *I feel it is a great course--gives fathers a chance to communicate with other dads about their interaction with their children.*
- *I really feel all expecting and or current fathers should come to this class as it can improve their fathering style. Very educational; I will suggest it to everyone.*
- *The course is a great course. I have learned a lot especially about discipline for my daughter.*
- *I had high expectations and they were fully met. The facilitator made the class very enjoyable. Thank you. You really have opened my eyes to so (many) fathering techniques.*
