THE ST. ANDREW'S SCHOOLS

## Registration and Payment

**General Registration Information:** Parents may register students for classes by mail or in person. Online registration is available for High School Courses only starting February 18, 2015. Registration is on a first-come, first-served basis. Completed forms and payment by checks may be dropped off in the Admissions Office in Transfiguration Hall Room 108 during business hours. Phone registrations will not be accepted. Please ensure that information on the registration form is complete - including parent or guardian signatures. **All students entering grades K - 8 must have a Summer Programs Pick-Up Authorization Form submitted with their registration.**

Registration for The St. Andrew's Schools' students and their siblings begins February 13, 2015. Online registration is available for High School Courses only starting February 18, 2015. Open registration begins March 2, 2015.

**Tuition and Fees:** Tuition payment in full must accompany the registration form. Cash or checks made out to **Queen Emma Center** will be accepted. Tuition is listed within each of the course descriptions.

**Late Registration Fee:** A \$25.00 fee will be assessed to any summer program registration received after the below stated deadlines.

### Registration Deadlines:

Program	Registration Deadline	Refund Policy
Experience Summer, Summer Sizzler, Sports & Swim	Wednesday, April 29	50% refund until May 29 No refund after May 29
Summer Adventure	Monday, June 29	50% refund until June 29 No refund after June 29

**Confirmation:** Confirmation letters will be sent by May 8 to all students registered by April 29. The Summer Programs Office will notify parents if their registrations are unable to be accommodated.

**Course Changes:** Each change requested after the registration form has been received will be assessed a \$25.00 fee. Once a session has begun, no refunds will be granted. Students may add a course once the summer has begun without penalty or additional fees.

# *Experience Summer!*

## THE ST. ANDREW'S SCHOOLS

### **Policies and Procedures**

#### **ATTENDANCE**

Regular attendance is very important for students to benefit from the summer programs. Please call the *Experience Summer!* Office (532-2464) by 8:00 AM if your child will be late or absent.

High School Courses: Credit offered for summer courses are equivalent to a semester or full-year course. Attendance is very important in order for students to benefit from all content and participation. Parents are encouraged to schedule vacations, camps, etc., around the academic summer school dates. Excused absences are only allowed for illness and family emergency. However, students may incur no more than two absences, excused or unexcused, and no more than five tardies to earn credit. Students need to present a note to the *Experience Summer!* Office prior to expected absences.

**Students enrolled in *Experience Summer!* are not allowed to leave campus until the completion of their classes.**

#### **ILLNESS AT SCHOOL**

The St. Andrew's Schools employs a health aide and others trained in first aid for the summer session. If a student becomes ill while at school between the hours of 7:00 AM and 12:00 PM, the health aide will contact parents or the emergency contact listed on the registration form. After 12:00 PM, the Summer Sizzler Director will notify parents. Once a parent is notified, the student must be picked up from school within a reasonable time period. Medication is not dispensed during the summer session.

In the case of an emergency, an adult employee of The St. Andrew's Schools shall accompany the student to the nearest source of emergency care and will stay with the student until a parent or emergency contact arrives.

#### **DROP-OFF/ PICK-UP**

Parents of Lower School students may walk students onto campus or drop them off in front of Kennedy Hall by the Coral Cross. Lower and Middle School students enrolled for the morning only must be picked up at 12:00 PM at the crosswalk in front of Kennedy Hall. Any students not picked up by 12:00 PM will be enrolled in the Summer Sizzler Program for the day at \$45.00 per day. Students enrolled in afternoon enrichment programs will be escorted to those programs after lunch. Parents must sign out these students from the Summer Sizzler Program. Students picked up after 5:30 PM on the *Experience Summer!* Office clock will be assessed a late fee of \$1.00 per minute to be paid immediately to the supervisor in charge. Parents who wish to pick up students prior to 5:30 PM must enter campus and sign out their child with the group leader.

# *Experience Summer!*

## THE ST. ANDREW'S SCHOOLS

### **VISITORS TO CAMPUS**

Parents and other visitors to campus between 8:00 AM and 5:30 PM must report to the *Experience Summer!* Office (K-107) to obtain a Visitor's Pass. Students wishing to bring a visitor to class must have the written permission of the Director prior to bringing the visitor onto campus.

### **CELL PHONES**

Cell phones brought onto campus by students must be turned off between the hours of 7:45 AM to 12:15 PM. If a student needs to contact parents, the *Experience Summer!* Office will make the necessary communication. If a parent needs to contact or leave a message for a student, a phone call should be made to the *Experience Summer!* Office (532-2464) and the message will be delivered to the student.

### **INTERNET ACCESS**

Only students whose courses require them to have Internet access will be given access for the summer. Students must register their computer with the Technology Department. Students and parents must sign the Acceptable Use Policy (AUP.)

### **BOOKS AND MATERIALS**

Lower and Middle School Programs: Students should come to school prepared with basic school materials labeled with their name: paper, pencils, crayons, markers, etc. The St. Andrew's Schools will provide books and craft materials.

High School Courses: St. Andrew's will provide many of the materials. Textbooks may be purchased through online vendors. This information will be available after registration confirmation online at <http://standrewsschools.org/summerprograms>.

### **REPORT CARDS**

Summer School report cards will be issued for credit courses only. Mid-summer interim progress reports will be sent home with the student and must be signed and returned by the parent/guardian. Final report cards will be mailed home upon completion of coursework. Students wishing to have their grades sent to other schools should contact the *Experience Summer!* Office for a Report Transfer Request Form. Report cards will be mailed directly from the Registrar's Office.

### **FINAL EXAMS**

Final exams may be administered for credit classes at the discretion of the teacher and approval of the Director. The final exam will count for no more than 20% of the final grade in the course. Students with an unexcused absence for the final exam will receive "0" points for the exam. Students will not be allowed to take an exam early without the permission of the Director.

# Experience Summer!

## THE ST. ANDREW'S SCHOOLS

### DRESS CODE

Attire and appearance appropriate to the school setting is expected. Examples of inappropriate attire include, but are not limited to, tube tops, bare midriffs, very short skirts, short shorts (shorts and skirts should be no shorter than finger-tip length), swimwear, and tattered/torn clothing. No visible undergarments are allowed. Shoes, sandals, or slippers must be worn at all times. Hair and make up should be natural in style and color to the student. The St. Andrew's Schools does not permit clothing that is provocative, obscene, or displays advertisements for, or suggested use of tobacco, alcohol, illegal substances, sex or violence. The display of symbols that encourage divisiveness based on race, sex, sexual orientation, national origin, or other protected status is also forbidden.

### BEHAVIORAL EXPECTATIONS

Students are expected to conduct themselves in a manner conducive to the learning environment. Positive behavior choices add to the fun and quality of the experience. Behavior that disrupts the learning process or the rights of others to learn is not acceptable. Some of those behaviors include the following:

- Academic dishonesty such as cheating or plagiarism
- Assault/ fighting
- Disrespect of the human or property rights of others
- Theft/ vandalism
- Disrespect toward an adult or student
- Being off-campus during class time without permission from the school
- Promotion, possession, or use of alcohol, tobacco or drugs, either illegal or legal with abuse
- Violation of Acceptable Use Policy

### REQUIREMENTS FOR NON-HAWAII RESIDENTS (MAINLAND U.S. & INTERNATIONAL STUDENTS)

Health Requirements: Students who are not Hawai'i residents (this includes international as well as U.S. Mainland residents) and Hawai'i residents who are not currently residing in Hawai'i, must submit a physical examination and tuberculosis clearance performed within 12 months by a U.S. licensed physician prior to the starting date of *Experience Summer!*

Local Address and Phone Number: All non-Hawai'i residents are required to list a local address and a local telephone number on their registration form.

Please see course descriptions for full details.

*Enrollment is subject to availability.*

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Adventures in Lego Robotics**

Lego Robotics Adventurers will have the chance to brainstorm, design, create, and program numerous Lego NXT creations. Students will learn the principles of gear ratios for spin art, investigate sensor-based robotics building a walking, talking (roaring, hissing, or clucking, actually) zoo animal, and challenge each other in the ever-popular Sumo Robotics Challenge. Ready, set, create! Session 1 is a beginner class for students new to robotics. Session 2 is an intermediate class for those with some robotics experience or for students who would like to continue on from Session 1. *Enrollment is limited to 16 students.*

**For students entering Grades 4 - 8**

**\$285**

**8:00 AM-9:45 AM**

## **Adventures in Literature (Session 1 only)**

Experience children's literature like never before! Using Thinking Maps, we will cook, craft and write about our reading adventures. Look out books - here we come!!! \*Please note that peanuts and tree nuts may be used. *Enrollment limited to 15 students.*

**For students entering Grades 2,3**

**\$290**

**8:00 AM-9:45 AM**

**For students entering Grades 4,5**

**10:15 AM-12:00 PM**

## **Algebra I Prep**

In this course, students will review the basic skills of Pre-Algebra. Topics include fractions, negative numbers, proportions, linear equations, inequalities, exponents, functions, and graphs. Application of algebra skills is emphasized.

**For students entering Grade 8 - 9**

**\$470**

**10:15 AM-12:15 PM**

## **Arts N Crafts Extravaganza**

Students will have a hands-on arts and crafts experience working with a variety of different media, exploring different types of arts and crafts, and creating 2D/3D pieces. By the end of the session, students will have an assortment of items to take home and will be able to share their arts and crafts knowledge.

**For students entering Grades 2,3**

**\$280**

**8:00 AM-9:45 AM**

**For students entering Grades 4,5**

**10:15 AM-12:00 PM**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Beginning Band**

No experience necessary for this *six-week class*! Students may select from flute, clarinet, oboe, bassoon, alto sax, tenor sax, trumpet, French horn, trombone, euphonium, tuba, or percussion. All aspects of tone production, instrument care and maintenance, as well as beginning music theory, are covered. This class celebrates its accomplishments with an in-class concert on Thursday, July 16. (*Supplies: Rental instruments are available for \$50 for the duration of the summer session.*)

**For students entering Grades 4, 5**

**\$470**

**10:15 AM-12:00 PM**

## **Elemental Minds Summer STEM Program**

In the Elemental Minds Summer STEM Program, your child will gain experiences in programming, robotics, engineering, science, and math, as well as developing 21st Century Skills, such as communication, collaboration, critical thinking, and leadership. Engaging projects like Battle tops, Video Game Design, Projectile Launchers, Rubber Band Propeller Plane, STEM Art, and Judo Bots are parts of this exciting program. Your child will become an innovator of tomorrow as they immerse themselves in the Engineering Design Process of planning, designing, building, and optimizing products in this fun camp!

**For students entering Grades 3,4** (*Enrollment is limited to 20 students*)

**10:15 AM-12:00 PM**

**For students entering Grades 5-8** (*Enrollment is limited to 25 students*)

**8:00 AM-9:45 AM**

**\$335**

## **Fundamentals for Young Artists**

Enjoy the Fine Arts of drawing and painting in an enthusiastic environment. With the fundamentals each young artist will learn throughout the week, they will have the opportunity to produce numerous works of art that they'll get to exhibit in a mini Art Show at the end of their final week of class.

**For students entering Grades 3-5**

**8:00 AM-9:45 AM**

**For students entering Grades 6-8**

**10:15 AM-12:00 PM**

**\$300**

## **Intermediate Band**

*This six-week class* is open to all middle and high school band musicians with at least one year of experience playing a band instrument or by consent of Mr. Tokishi. This class is designed to continue to develop the musical skills of any band musician who is already able to produce a characteristic tone on their instrument, can play a Concert Bb Major Scale, and read music notation on their band instrument. This class is also open to musicians who are already proficient on an instrument and wish to learn how to double on another one. This class celebrates its accomplishments with an in-class concert on Thursday, July 16. (*Supplies: Rental instruments are available for \$50 for the duration of the summer session.*)

**For students entering Grades 6 - 8**

**\$470**

**8:00 AM-9:45 AM**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **It's a Boys' World! Designers and Builders**

Boys experience an integrated language arts, math, engineering, and art curriculum engaging in exploration, investigation, and hands-on activities centered around designing and building. While learning, creating, and collaborating, the boys will learn about positive social skills, problem solving, and developing a growth mindset. Projects and themes for exploration are designed around boys' interests and learning styles.

**For students entering Grade 2**

**8:00 AM-9:45 AM**

**For students entering Grade 2**

**10:15 AM-12:00 PM**

**\$260**

## **It's a Boys' World! The Garden at The Prep**

Boys entering kindergarten and first grade will experience an integrated language arts, math, science and arts curriculum through exploration, investigation, and hands-on activities centered around cultivating a garden. While learning, exploring, and playing, they will learn about positive social skills, problem solving, and collaboration. In addition to core subjects, fun-filled activities will include gardening, cooking, music and movement, and art projects designed around boys' interests and learning styles.

**For students entering Grade K, 1**

**8:00AM -12:00 PM**

**\$520**

## **It's a Girls' World! Designers and Builders**

Girls experience an integrated language arts, math, engineering, and art curriculum engaging in exploration, investigation, and hands-on activities centered around designing and building. While learning, creating, and collaborating, the girls will learn about positive social skills, problem solving, and developing a growth mindset. Projects and themes for exploration are designed around girls' interests and learning styles.

**For students entering Grade 2**

**8:00 AM-9:45 AM**

**For students entering Grade 2**

**10:15 AM-12:00 PM**

**\$260**

## **It's a Girls' World! The Garden at The Priory**

Girls entering kindergarten and first grade will experience an integrated language arts, math, science and arts curriculum through exploration, investigation, and hands-on activities centered around cultivating a garden. While learning, exploring, and playing, they will learn about positive social skills, problem solving, and collaboration. In addition to core subjects, fun-filled activities will include gardening, cooking, music and movement, and art projects designed around girls' interests and learning styles.

**For students entering Grades K, 1**

**8:00 AM-12:00 PM**

**\$520**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Kids Who Code**

What is computer science? What can you do with it? Through fun activities, students will learn the basics of computer science and programming through individual, group, and online activities. We will be using MIT's Scratch to learn the basics of how to write programs in an easy and fun way.

**For students entering Grades 6 - 8**

**8:00 AM-9:45 AM**

**\$260**

## **Lights+Camera+Action=Magic! (Session 2 only)**

Have you ever wanted to be the hero of your own special effects extravaganza? Fly through the air, shoot fireballs and lightning from your hands, or disappear in a flash of smoke and flame - it can all be possible! In Lights+Camera+Action=Magic, we will work with each of these effects and more using a green screen, video cameras and Apple's iMovie to create some incredible special effects. Don't wait for the hero to save you, be your own hero! *Enrollment is limited to 16 students.*

**For students entering Grades 4 - 8**

**10:15 AM-12:00 PM**

**\$285**

## **Math Attack**

The focus of this course is strengthening and enriching the students' grade level math skills. Students will have the opportunity to practice computational skills, develop a deeper understanding of math concepts, and challenge their thinking through collaborative problem solving.

**For students entering Grade 3**

**10:15 AM-12:00 PM**

**For students entering Grade 4**

**8:00 AM-9:45 AM**

**For students entering Grade 5**

**10:15 AM-12:00 PM**

**For students entering Grade 6**

**8:00 AM-9:45 AM**

**For students entering Grades 7 - 8**

**8:00 AM-9:45 AM**

**\$260**

## **Physics Phun**

Young scientists will be introduced to the building blocks of science through hands-on experiments and activities. Students will work collaboratively to pose questions, make observations, and problem solve to learn more about the world around them.

**For students entering Grades 4,5**

**8:00 AM-9:45 AM**

**\$280**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Soup to Nuts, a Culinary Adventure Through Children's Literature (Session 2 only)**

Come along on a gastronomical trip through children's literature. This adventure should delight the discerning palate as well as provide fun in reading, writing, math, science, social studies, art, and of course, eating. Stone soup, green eggs and ham, a musubi man, – these are just a few of the delectable delights you will find on the menu. \*Please note that peanuts and tree nuts may be used. *Enrollment limited to 12 students.*

**For students entering Grades 2,3**

**10:15 AM-12:00 PM**

**For students entering Grades 4,5**

**8:00 AM-9:45 AM**

**\$270**

## **Stop Motion Mania (Session 1 only)**

Ever wonder how movies like Coraline, Nightmare Before Christmas, Wallace and Gromit or Frankenweenie are made? Join us this summer for Stop Motion Mania, where students will learn to script and pre-visualize stories, build characters out of modeling clay and Sculpey, design sets, record and edit video, and do post production work on sound, music and effects. Imagination is the only limit! *Enrollment is limited to 16 students.*

**For students entering Grades 4 - 8**

**10:15 AM-12:00 PM**

**\$285**

## **Super Awesome Tech Fun 1**

Students will have fun while learning the basics of keyboarding, Microsoft Office, and iLife applications. iPads will also be used to reinforce literacy, record and edit video footage. For the culminating project, students will choose a topic to research, create a PowerPoint, and an iMovie.

**For students entering Grades 2, 3**

**8:00 AM-9:45 AM**

**\$275**

## **Super Awesome Tech Fun 2**

This course helps with the transition for incoming Priory students, particularly with technology and understanding the responsibilities of one-to-one computer use. Topics include: Email etiquette, Google Apps, keyboarding, computer care, basic troubleshooting, useful Internet search techniques, and iLife applications.

**For students entering Grades 5-8**

**10:15 AM-12:00 PM**

**\$275**

## **Super Science, Super Fun!**

Learn the science behind the fun. Play with sea creatures (yes, live sea creatures!), build rockets, make crystals, and find out firsthand what an owl eats! Explore new topics each week with hands-on activities and labs. So grab a hold of a Bunsen burner and prepare to learn about the awesome world around us!

**For students entering Grades 2, 3**

**10:15 AM-12:00 PM**

**\$280**

## The Write Stuff

"If I can say it, I can write it. If I can write it, I can read it." This program integrates listening, speaking, reading, and writing to strengthen grade level literacy skills. Emphasis will be on the writing process and reading for understanding.

For students entering Grade 3

8:00 AM-9:45 AM

For students entering Grade 4

10:15 AM-12:00 PM

For students entering Grade 5

8:00 AM-9:45 AM

For students entering Grade 6

10:15 AM-12:00 PM

For students entering Grades 7 - 8

10:15 AM-12:00 PM

\$260

## What a Trip!!

This exciting class will take students off campus to wonderful points of interest two to three days a week. They will then put together an unforgettable memory book of their adventures. Basic writing skills will be integrated in the class. Proposed sites include Children's Discovery Center, Glow Putt, and Waikiki Aquarium. Sites are subject to change. *Enrollment is limited to 15 students.*

For students entering Grades 2 - 5

8:00 AM - 12:00 PM

\$570

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## Summer Sports and Swim

For students entering grades 1-6

1:00 PM-5:30 PM

Time to move! Students will rotate daily through two different sports clinics per session that emphasize the development of a love for sports, building up of sports skills, and learning of fundamentals through game play. Our certified coaches also help our students cultivate good sportsmanship, develop a growth mindset, and promote an active and healthy lifestyle. Along with sports, swim lessons will be offered with qualified WSI-certified instructors at the YWCA. Students progress through required levels established by the American Red Cross. Students will enjoy field trips that incorporate different aspects of fitness once a week. Examples of possible fieldtrips include: iTrampoline, mini golf, the Kroc Center, hiking, and beach swimming.

Session 1	June 9-June 26	Basketball & Soccer	Swimming at YWCA	\$ 575.00
Session 2	June 29-July 17	Volleyball & Tennis	Swimming at YWCA	\$ 575.00

Students are required to bring a towel, swimsuit, sunscreen, and slippers for swim lessons. 3 program t-shirts are provided and should be worn daily with shorts and non-scuff gym shoes. Additional t-shirts can be purchased for \$12.00 each.

This program meets daily, from 1:30-4:30. Students join the Summer Sizzler program from 4:30-5:30 PM and must be picked up from there daily.

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## Summer Sizzler

For students entering grades K-8

1:00 PM-5:30 PM

Come and play with us! This fun and age-appropriate program is a half-day program that includes weekly off campus Field Trips such as: i-Trampoline, mini golf, the Kroc Center and walking field trips, indoor and outdoor games, crafts, cooking, and water play activities.

Note: Students will be monitored from 12:00-1:00 and escorted to afternoon classes by Sizzler Staff. **Enrichment classes in the Summer Sizzler Program are optional and carry additional course fees. Each enrichment class offers its own unique learning experience.**

Session 1	June 9-June 26	\$ 475.00
Session 2	June 29-July 17	\$ 475.00

### Enrichment class options meeting twice a week include:

**Cooking** – This class will teach students basic cooking safety along with kid friendly recipes that students can create on their own with little or no help from adults. Students will create a cookbook of their very own to record their tasty creations.

For students entering grades K-2	Wednesday/Friday	1:00 PM-2:00PM
For students entering grades 3-6	Wednesday/Friday	2:00 PM-3:00 PM
Session 1	\$96	
Session 2	\$80	

**Dance** - Instructors from Drill Team Hawaii will offer students an authentic experience in our dance studio, located above the gym. For girls only, please.

For students entering grades K-2	Wednesday/Friday	2:15 PM-3:15 PM
Session 1	\$96	
Session 2	\$80	

**Lego Lab Enrichment -Bricks 4 Kidz** - This is a hands-on class where students will design & build machines, catapults, pyramids, transportation models, buildings, inventions & other gadgets out of LEGO® bricks. While exploring math, engineering, architecture, science and physics – students will also learn to develop basic problem solving & critical thinking skills.

For students entering grades K-5	Tuesday/Thursday	2:00 PM-3:00 PM
Session 1	\$96	
Session 2	\$80	

**Ukulele** – Come and learn basic chords and strumming techniques with fun and familiar songs. Students must provide their own ukuleles.

For students entering grades 3-6	Tuesday/Thursday	1:00 PM-2:00 PM
Session 1	\$96	
Session 2	\$80

*\* Designated an iPriority course, students will engage in a variety of online, face-to-face, and flexible meeting arrangements that suit the individual needs of each.*

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Algebra I Prep (no credit)**

**10:15 AM-12:15 PM**

In this course, students will review the basic skills of Pre-Algebra. Topics include fractions, negative numbers, proportions, linear equations, inequalities, exponents, functions, and graphs. Application of algebra skills is emphasized.

**For students entering Grade 8 - 9**

**\$470**

## **Algebra II Prep (no credit)**

**8:00 AM - 10:00 AM**

In this course, students will review the basic skills of algebra. Topics include proportions, variations, linear equations, systems of equations, inequalities, exponents and exponential equations, functions, transformations of graphs, and quadratic functions. Application of algebra skills is emphasized. (*Requirement: TI-84 or 84-plus graphing calculator; Prerequisite: Algebra I and Geometry*)

**For students entering Grades 9 - 12**

**\$470**

## **AP Calculus and Calculus Prep (no credit)**

**8:00 AM - 10:00 AM**

This course is designed to prepare students for taking AP Calculus or Calculus 1. Students will gain a refresher on the fundamental topics needed to succeed in Calculus that were covered in Pre-Calculus and Algebra II. (*Prerequisite: Pre-Calculus*)

**For students entering Grades 11 -12**

**\$470**

## **Circuit Training, Aerobics & Hiking (½ credit)**

**10:15 AM-12:15 PM**

This course offers three sports in one class. Circuit training is designed for beginners who want to tone their muscles and increase their cardiovascular systems, receiving proper instruction. Aerobics is designed for the beginner in mind. Students will learn different aerobic steps and skills that will allow them to complete different exercise videos and develop their own aerobic exercise routines. Hiking is structured to train students to hike various locations and different terrains. Students should be prepared to complete a hiking venture each week. (*Students may not take this course and Fitness for Life simultaneously.*)

**For students entering Grades 9 - 12**

**\$470**

## **Fitness for Life (½ credit)**

**8:00 AM - 10:00 AM**

This course is designed to help students learn about the health-related physical fitness components and benefits of healthy lifestyles, including regular physical activity and sound nutrition. This course will feature activities that can be used for a lifetime and help students find and plan activity programs appropriate to their individual needs. (*Students may not take this course and Circuit Training, Aerobics & Hiking simultaneously.*)

**For students entering Grades 9 - 12**

**\$470**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Geometry Prep (no credit)**

**10:15 AM-12:15 PM**

In this course, students will review the basic skills of Algebra 1 in preparation for Geometry next year. Topics include fractions, proportions, variations, linear equations, inequalities, exponents, functions and graphing. (*Prerequisite: Algebra I*)

**For students entering Grades 9-10**

**\$470**

## **Hawaiian History (½ credit)**

**10:15 AM-12:15 PM**

This course studies the history of our state. It begins with the arrival of the first Polynesians to Hawai'i and traces its rich history through the monarchy, missionaries, overthrow of the Hawaiian kingdom, and statehood. It also focuses on Hawai'i's government, economics, and social history.

**For students entering Grades 10 - 12**

**\$470**

## **Health (½ credit)**

**10:15 AM-12:15 PM**

This class is a study of the understanding and proper maintenance of body systems and body functions.

**For students entering Grades 9 - 12**

**\$470**

## **Intermediate Band (½ credit)**

**8:00 AM-9:45 AM**

This *six-week* class is open to all middle and high school band musicians with at least one year of experience playing a band instrument or by consent of Mr. Tokishi. This class is designed to continue to develop the musical skills of any band musician who is already able to produce a characteristic tone on their instrument, can play a Concert Bb Major Scale, and read music notation on their band instrument. This class is also open to musicians who are already proficient on an instrument and wish to learn how to double on another one. This class celebrates its accomplishments with an in-class concert on Thursday, July 16. (*Supplies: Rental instruments are available for \$50 for the duration of the summer session.*)

**For students entering Grades 9-12**

**\$470**

## **Introduction to Computer Science (½ credit)**

**8:00 AM-9:45 AM**

This course is designed for students who have never programmed before. Students will be introduced to concepts, analysis, and problem solving processes in computer science. The skills students learn using MIT's Scratch during this course will help them learn introductory elements in the Java programming language.

**For students entering Grades 9-12**

**\$470**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Physiology (½ credit)**

**10:15 AM-12:15 AM**

This laboratory course will expose students to the spectrum of the human body systems. It will explore in detail human anatomy and human physiology, including pathology (the study of diseases). The relationships between each system and the body as a whole are investigated. (*Prerequisite: Biology*)

**For students entering Grades 10-12**

**\$470**

## **Pre-Calculus (1 credit)**

**8:00 AM-12:15 PM**

This course expands the study of a wide range of topics derived from the areas of algebra, geometry, and trigonometry. Additional topics to be studied include: vectors, conic sections, matrices and determinants, polar coordinates, sequences and series. (*Requirement: TI-84 or 84-plus graphing calculator and Algebra II teacher's approval; Prerequisite: Algebra II with Trigonometry*)

**For students entering Grades 10-12**

**\$940**

## **Reading Writing Lab (½ credit)**

**10:15 AM-12:15 PM**

This course strengthens students' basic skills. Students study sentence structure, spelling rules, and grammar. They develop comprehension strategies while reading both fiction and nonfiction.

**For students entering Grades 9 - 12**

**\$470**

## **SAT & ACT Prep (no credit) June 15-July 17**

**1:00 PM-3:00 PM**

This summer school program will fully prepare students for success on the ACT and SAT tests. Students will review the multitude of concepts tested on both tests, learn score-raising strategies, and practice extensively on official test sections, while also reviewing and analyzing their specific areas of weakness. The goal will be not only for students to become elite test-takers but also to gain confidence and to truly engage in the material, all in a fun and enjoyable environment.

**For students entering Grades 10-12**

**\$470**

## **Speech (½ credit)**

**8:00 AM-10:00 AM**

Students are assigned a variety of speaking opportunities (informative, persuasive, demonstrative, impromptu speaking, and storytelling) to encourage the development of poise, confidence, and articulation before an audience.

**For students entering Grades 9-12**

**\$470**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **Summer Global Prep (no credit)**

**1:00 PM–3:00 MWF**

Global Prep is an intensive program that helps international students not only gain proficiency in the English language, but also prepares them for success at The Priory, college, and beyond. Through learning plans that are tailored to their individual needs and goals, students will expand their vocabulary, become competent and confident speakers, and have a solid understanding of grammar rules. Emphasis will be placed on developing critical thinking and writing skills. Other topics covered include TOEFL/SAT prep, preview of upcoming classes, leadership skills, and American culture and customs. All textbooks and materials will be provided. For more details please contact Sue Ann Wargo at 808-532-2418.

**For students entering Grades 9-12**

**\$720**

## **Summer Technology Internship (½ credit)**

**Flexible**

Students learn the basics of how the Technology Department functions through this hands-on internship. Students will learn the functions of the different computer components and how to take apart a computer. Students assist the Technology Coordinator in basic maintenance, trouble-shooting and help desk management, asset management, customer service, and preparing the next academic year. Flexible schedule, 10 hrs/week

**For students entering Grades 9-12**

**\$470**

## **United States Government (½ credit)**

**online**

This course examines the people, documents, institutions, and events that have shaped American government. Particular emphasis is placed on the history and structure of the U.S. Constitution. In addition, both civil and criminal law is reviewed. The goal is to create well-informed voting citizens with an understanding of their rights and responsibilities. United States Government will be offered online and cover the same topics through online discussions and modified assignments designed to fit the online learning curriculum. Designated an iPriory course, students will engage in a variety of online, face-to-face, and flexible meeting arrangements that suit the individual needs of each. While this is an online class the instructor will have set hours available to “chat” online through Canvas, daily, as well as in person, on set days, for students that might be struggling or simply need clarification. *(Prerequisite: Instructor’s approval)*

**For students entering Grades 11 - 12**

**\$470**

# Experience Summer!

THE ST. ANDREW'S SCHOOLS

## **World Cultures and Religions (½ credit)**

**online**

In this introductory survey of religious traditions students explore, observe, and analyze across cultures and through time, the central human phenomenon of being religious. World Cultures and Religions will be offered online and cover the same topics through online discussions and modified assignments designed to fit the online learning curriculum. Designated an iPriory course, students will engage in a variety of online, face-to-face, and flexible meeting arrangements that suit the individual needs of each. While this is an online class the instructor will have set hours available to “chat” online through Canvas, daily, as well as in person, on set days, for students that might be struggling or simply need clarification. (*Prerequisite: Practical Theology; Instructor’s approval.*)

**For students entering Grades 11 - 12**

**\$470**

# Summer Adventure

THE ST. ANDREW'S SCHOOLS

## Summer Adventure and Middle School Leadership Challenge

*Four Weeks of Summer Fun! 7:30 AM - 5:30 PM*

**Week One: July 20 – July 24**  
**Week Two: July 27 – July 31**  
**Week Three: August 3 – August 7**  
**Week Four: August 10 - August 13**  
**No Program On Friday, August 14**

These programs are offered to boys and girls entering grades K - 8 as full-day programs. They extend an opportunity for students to play and learn together in a fun, relaxed atmosphere. Daily lunch, snacks, excursion entrance and transportation fees, activities, crafts and one t-shirt per week enrolled are included in the tuition.

### Registration and Payment

**General Registration Information:** Parents may register students for classes online after February 18, 2015 at <http://www.standrewsschools.org/summerprograms>, or by mail or in person. Registration is on a first-come, first-served basis. Completed forms and payment by checks may be dropped off in the Admissions Office in Transfiguration Hall Room 108 during business hours. Phone registrations will not be accepted. Please ensure that information on the registration form is complete - including parent or guardian signatures. **All students entering grades K - 8 must have a Summer Programs Pick-Up Authorization Form submitted with their registration.**

Registration for The St. Andrew's Schools' students and their siblings begins February 13, 2015. Open registration begins March 2, 2015.

**Tuition and Fees:** Tuition payment in full must accompany the registration form. Cash or checks made out to **Queen Emma Center** will be accepted. Credit card payments are processed only via online registration beginning February 18, 2015.

**Late Registration Fee:** A \$25.00 fee will be assessed to any registration received after July 29.

### Registration Deadline:

Summer Adventure	Monday, June 29	50% refund until June 29 No refund after June 29
------------------	-----------------	---

**Confirmation:** Confirmation letters will be sent by July 6 to all students registered by June 29.

# Summer Adventure

THE ST. ANDREW'S SCHOOLS

## SUMMER ADVENTURE

**Summer Adventure** is offered as a weekly experience for all students entering grades K – 5 and international students entering grades 6-8. This program is filled with fun, exciting themes such as *Minion Mania, Calling All Superheroes, and Frozen Day*. Every Wednesday is "Wacky Water Wednesday," so bring a towel and swimsuit. Students will go on excursions to places such as Kroc Center, Camp Timberline, Secret Island, Tiki Island and more. Bilingual staff members proficient in Japanese allow us to waive the English proficiency requirement for Japanese-speaking students who wish to enroll. (TB clearance is not required.)

	<b>Tuition for The St. Andrew's Schools' students and siblings:</b>	<b>Tuition for all other students:</b>
<b>1 week</b>	<b>\$410</b>	<b>\$435</b>
<b>2 weeks</b>	<b>\$770</b>	<b>\$870</b>
<b>3 weeks</b>	<b>\$1080</b>	<b>\$1305</b>
<b>4 weeks</b>	<b>\$1340</b>	<b>\$1740</b>

Parents may enroll their child for one week, four weeks, or any two or three-week combination. If a child is enrolled in the program, parents have the option of registering for additional weeks during the actual program.

## MIDDLE SCHOOL LEADERSHIP CHALLENGE

**The Middle School Leadership Challenge** is for native English-speaking students entering grades 6 - 8 who would like a "hands-on" experience to enhance their leadership skills. Challenge students will attend each trip and adventure with the regular Summer Adventure program. However, they will also participate in daily leadership classes and use their skills to assist with younger children.

International students may be admitted on a case-by-case basis. Please email [summeradventure@standrewsschools.org](mailto:summeradventure@standrewsschools.org) with any questions.

### **Tuition**

**\$235 per week (weeks 1, 3, 4)**

**\$275 (week 2 – includes an overnight stay at Camp Timberline)**
