

PUBLIC SELECTS Open Studios

The Albuquerque Museum presents **Public Selects: A Celebration of Albuquerque Artists!**

Working Albuquerque-area artists are opening their studios to the public this March in celebration of **On the Map: Unfolding Albuquerque Art + Design**. Visitors are invited to vote for their top three favorites online, culminating in an exhibition at the Museum June 27 – October 4, 2015.

OPEN STUDIOS SCHEDULE:

- Friday, March 6, 6-8pm:** Harwood Art Center
- Saturday, March 7, 10am-4pm:** Central area (Albuquerque North of Central Avenue)
- Saturday, March 14, 10am-4pm:** North area (communities North of Albuquerque to Cochiti)
- Saturday, March 21, 10am-4pm:** South area (Albuquerque South of Central Avenue to Socorro)

Below is a complete list of participating artists and their studio addresses, grouped by geographical area. Visitors must sign in at least one studio to be eligible to vote. When you sign in at each studio, please leave your email address so that we may send you an online link to vote. This link will be sent to each visitor by March 27, and will allow you to vote one time only for your top three favorite studios.

Museum staff will tally the votes, and subsequently curate an exhibition of a number of the top vote-winners. Please remember that it is a rare privilege to be allowed into these artists' often quite private spaces. The artists request that you please be careful, attentive, and respectful. (Visitors and artists assume all liability for property and persons.)
