

Dear Chamber Member,

The Sierra Vista Area Chamber of Commerce has partnered with Town Square Publications to produce an excellent concept in publication networking. This publication will help you market your business directly to area business owners, neighborhood residents and visitors.

The **Community Profile and Pull-Out Map** is a remarkable advertising tool, highly visible and is a publication that businesses and residents keep on hand for easy reference.

In addition, the Community Profile and Pull-Out Map will be replicated online via the Sierra Vista Area Chamber of Commerce website and the Community Profile Network, further extending the exposure of your advertising message and increasing your search engine optimization.

Don't miss the opportunity to promote your business to residents and business owners!
