

Auction Rules & Procedures

The patented **AuctionStar**® system will be used to manage the Silent Auction bidding and invoicing.

- The Silent Auction will be held on February 13, 2015 at Audi Central Houston, between 7:30 PM and 9:15 PM.
- There will also be a Live Auction, starting at 9:30 PM..
- Checkout will begin at approximately 10:45 PM.

Check-in Procedures

- Pre-registered guests must check in at arrival and obtain their personalized bid packet with a set of small Bid Labels (adhesive stickers) bearing the bidders name and bidder number, a Live Auction sign ("Paddle") with the bidder number in very large digits and an Auction Catalog listing the auction items available for bidding.
- Unregistered guests must check in at arrival to obtain a personal bidder number and an anonymous bid packet (above).
- Couples will in general be assigned a joint bidder number, and receive a single bid packet.
- A bidder's assigned bidder number is unique, serving as identification throughout the auction proceedings.
- **NOTE:** Bid Labels represent money! DON'T LOSE YOURS!
- At check-in time, each bidder will have the option of having their credit card swiped at an **AuctionStar**® computer, thereby earning **EXPRESS** checkout treatment-a signature and you will be on your way!
- No credit card charges will be posted during the event, and none will be made without a signature. Even after pre-scanning a credit card, you may pay with cash or check instead.
- All credit card information will be erased from the **AuctionStar**® computers when charges have been placed.

Auction Rules & Procedures

Silent Auction Rules

- You make a bid by affixing a Bid Label on a bid sheet located next to a Silent Auction item. The price appearing next to your Bid Label constitutes the price you are committing to pay for the item in case no higher bid is made at a later time.
- Preprinted prices must not be modified, crossed out, or otherwise altered. All bid sheets will be machine read-any hand-writing will go unnoticed or be ignored.
- Affixing a Bid Label is equivalent to signing a contract: All sales are final, and items are sold "As Is". There will be no refunds or exchanges.
- Bid sheets featuring a "Buy It Now" option can be won without contest by affixing a Bid Label in the designated slot and giving the bid sheet to an auction official.
- **Other than a possible Buy-It-Now price, there is NO UPPER LIMIT for your bids!** If the bid sheet is full, another one will soon be printed with higher bid options. If time is short, staggering bid labels on the final slot on a sheet is legal; each new bid label represents an increase of the fixed raise amount.
- For fixed-price "Sign-up" items each bid label affixed constitutes a contract to buy one unit of the item at the price printed in the bid slot. Bids placed below the preprinted boxes will be recorded onto a waitlist.
- Bidding is legal as long as a bid sheet remains on the table and/or next to an item, **even if the closing has been announced!**
- The highest bid present at the time of a bid sheet's removal shall constitute the winning bid.

Checkout Procedures and Considerations

- Before standing in line, consult the posted Winner List to see if you are a winner.
- Winners who pre-swiped a credit card should look for a PRE-SWIPED sign to find their invoice, the others for a sign displaying NOT PRE-SWIPED.
- Item and certificate pickup instructions will be given when the invoice is obtained.
- Your invoice will normally itemize item descriptions, prices paid, fair market value assessments, plus a copy of IRS guide lines for tax deduction. It is your responsibility to properly handle all tax deduction issues. Consult your tax advisor if no fair market value is shown.
- Someone buying an auction item may incur a tax liability for either the whole purchase amount or a part thereof. Such local sales tax, if any, will be added to the invoice.
- The buyer waives any claims for liabilities against either Mark Twain Elementary School or the donor of the respective item or service, neither of which is responsible for any personal injury or damage to property that may result from the use of the item or service sold.
- Items not picked up after the close of the auction will be available at Mark Twain Elementary-Contact Chastiti Horne (713) 398-3500.
- In the event of a dispute, an auction official shall act as the final authority and determine the final winner and price of the item in dispute.

317 Ms. Morrison's Chinese Zodiac Art

The Chinese Zodiac, known as Sheng Xiao, is based on a twelve year cycle, each year in that cycle related to an animal sign. These animal signs are the rat, ox, tiger, rabbit, dragon, snake, horse, sheep, monkey, rooster, dog and pig. It is calculated according to Chinese lunar calendar. The selection and order of the animals that influence people's lives very much was originated in the Han Dynasty (202BC - 220AD) and based upon each animal's character and living habits. It is believed that the years represented by the animals affect the characters of people in the same manner. Do you know which animal year you were born? Are your characters affected? This art was made by the 2nd grade students from Ms. Morrison's class. Each one animal was hand-crafted by a student. 1011 "Line to the Horizon"

\$300

Renowned artist, and Twain dad, Marius Zgirdea, has created some of the most prolific art of recent times. This piece of art was designed and meant to signify his family's transition from New York to Houston. In the collage you will find the skyline of New York that is fading away slowly to the horizon, the tree represents Houston and the surrounding nature. The birds signify the artist, his wife and son migrating from one place to another. His hand cutting and taping method has developed into a very prominent feature of his work. The images he creates in these collages are not manipulated on the computer, they are shaped with his hands into images of different shapes and forms. Take home this one-of-a-kind masterpiece.
