

Research Studies

Have you been diagnosed with Irritable Bowel Syndrome, Interstitial Cystitis, Ulcerative Colitis or Prostatitis?

The Rehabilitation Institute of Chicago's Center for Pain Studies is looking for volunteers who are currently experiencing pelvic pain related to the following conditions: Irritable Bowel Syndrome, Interstitial Cystitis, Ulcerative Colitis or Prostatitis

For more information, please call (312) 238-5654 or email centerforpainstudies@ric.org.

IRB Project #STU00059992

Principal Investigator: R. Norman Harden, MD

The Rehabilitation Institute of Chicago is an academic affiliate of Northwestern University Feinberg School of Medicine

Date Posted: 08.24.12

Participants must meet the following criteria:

- Men and women at least 18 years of age
- Experiencing chronic pelvic pain for at least three months
- Willing to take a study medication
- Be willing to participate in four visits at the RIC Center for Pain Studies over 15 weeks

Participants receive study related procedures free of charge as well as compensation for travel expenses. Parking tickets will also be validated.
