The Shabbaton is in celebration of the creation of THE JOSHUA SINDLER, Z'L CREATIVE CLASSROOMS ART & MUSIC PROGRAM ENDOWMENT FUND at Hillel Academy of Pittsburgh established by the Sindler Family in memory of their beloved son and brother Josh, who succumbed to cancer at the young age of 45. The goal of THE JOSHUA SINDLER, Z'L CREATIVE CLASSROOMS ART & MUSIC PROGRAM will be to empower students to experience music and art as a source of personal enrichment, as a vehicle for the constructive expression of human emotions, and as a means to connect to their spirituality and Judaism. This goal will be attained through a structured sequential program of study, extra-curricular offerings, and performance opportunities.

Sponsorship opportunities available. For more information or to contribute to the endowment contact Daniel Kraut at dkraut@hillelpgh.org
