

ENGRAINED BISTRO IS OPEN

Engrained is an opportunity for students, faculty, staff and the larger community to engage in sustainable dining through a living-learning restaurant, committed to locally grown food and environmentally friendly practices.

We feature locally grown and harvested food prepared to order. Our seasonal menu includes organic and local produce, Fair Trade coffee, local eggs, chicken and beef.

At Engrained, we offer freshness and variety with locally sourced and health conscious ingredients at our 7 stations:

The Stone Hearth

Bakery
