

Hi Friends,

NEW DEVELOPMENT – Mary George, Director of Library Services for Placer County, will be announcing the **closure of the Loomis Library** at the March 10 Town Council meeting at 7:30 at the Depot. The Supervisors will be voting on this at their March or April meeting and the Loomis Library could be closed as early as March 25th.

We need your help. Yes, we still need you, your neighbors, your friends to attend the March 10th meeting and voice your concerns about the closure of our dear library. Those living outside Loomis can still attend the meeting and make their wishes known to the Town Council and the Supervisors.

Yes, we still need you to phone or email **all** the Placer County supervisors and let them know how important the library is in our lives and the lives of our families.
