

PETITION CIRCULATOR INSTRUCTIONS

- ✓ **Registered voters in California or those who are qualified to vote in California can help collect signatures for Parental Notification by serving as Petition Circulators.**
- ✓ **ONLY registered voters in California can sign the petition and can only sign once.**
- ✓ **All signatures on a page must be from the same County. Put the name of the County in the space provided at the top of the petition when the first person signs. If someone from another County wants to sign, start a new petition for their County.**
- ✓ **NO city abbreviations or P.O. Boxes for address – must be your street address.**
- ✓ **If someone makes a mistake, have them cross out the mistake and initial, then add correction...or if possible, just have them cross out the entry and start a new signature space.**
- ✓ **THIS IS VERY IMPORTANT! Fill out the “Declaration of Circulator” section completely (all the pink shaded spaces at the bottom of EACH petition). Fill in the final date when you are finished collecting signatures for that petition page. If the “Declaration of Circulator” section isn’t filled out completely on EACH petition, the entire petition is invalid!**
- ✓ **By March 1st, mail your petition/s to the address on the bottom of the petition (California for Parental Rights Fund, PO Box 189004, Coronado, CA 92178) or bring it back to where you received your petition if your church is mailing them in. Petitions must reach the campaign by March 1.**
Turn in petitions even if you don’t get all five signatures on a page. Every signature is valuable and needed!
- ✓ **Give instructions and extra petitions to people who also want to help collect signatures. Additional Petitions can be ordered from CAParentalRights.org or call the campaign toll-free at 844-335-5548.**
- ✓ **If you have any questions, call Wynette Sills at 916-955-1577**

**THANK YOU FOR SAVING LIVES AND
PROTECTING OUR DAUGHTERS!**
