House Committee on Finance
Representative Sylvia Luke, Chair
Representative Scott Nishimoto, Vice Chair

March , 2015

Dear Chair Luke, Vice Chair Nishimoto, and Committee Members:

This testimony is in support for HB232, relating to facilities funding for charter schools

The Hui for Excellence in Education (HE'E) is a diverse coalition of over 40 parent and community organizations dedicated to improving student achievement by increasing family and community engagement and partnerships in our schools. Our member list is attached.

We are in support of SB850, which appropriates funds to state public charter school commission to allocate to charter schools for facilities projects. We understand that currently our charter schools must pay for funding through their per pupil allocations, which is different from DOE schools which receive funding through the Capital Improvement Projects budget. This creates an inequitable system for our students. We feel that this bill would be a start for the State to support facilities funding at charter schools. We agree with the bill in that the funds go the commission who can determine allocation based on needs and performance.

Thank you for the opportunity to testify. Our support of this bill represents a 75% consensus or more of our membership.

Sincerely,

Cheri Nakamura
HE'E Coalition Director
