Senate Committee on Ways and Means  
Senator Jill Tokuda, Chair  
Senator Ronald Kouchi, Vice Chair

March 2, 2015

Dear Chair Tokuda, Vice Chair Kouchi and Committee Members:

This testimony is submitted in support for SB843, which amends or repeals provisions of Chapters 302A and 302L, Hawaii Revised Statutes, as related to early childhood education, for housekeeping and other purposes.

The Hui for Excellence in Education (HE'E) is a diverse coalition of over 40 parent and community organizations dedicated to improving student achievement by increasing family and community engagement and partnerships in our schools. Our member list is attached.

We support all the changes being proposed in SB843 relating to early education, in particular, the change in the definition of "early childhood education" to mean a developmentally appropriate early childhood development and education program for children from birth until the time they enter kindergarten. We understand that currently there are some definitions that say from birth to age eight, which becomes confusing because it overlaps with the Kindergarten through 12<sup>th</sup> grade (K-12) system. The change would allow clarity in statute, and allow for more efficient and effective handling of early education programs.

Thank you for the opportunity to testify. Our support of this bill represents a 75% consensus or more of our membership.

Sincerely,

Cheri Nakamura  
HE'E Coalition Director
