*Design Principles of the Pros that can be Applied to the Home Landscape*

Chanticleer has been called the most romantic, imaginative, and exciting public garden in America. Dan Benarcik, one of seven highly talented Horticulturists, has been instrumental in the garden's transformation during his more than 20 years there. Dan is a passionate gardener and artist who fuses his love of plants, sculpture, and design into excitement and wonder. His talk will give you, whether novice or experienced, tips to enliven your own garden and ideas to use when thinking about your beds, pots and plant combinations for 2015. Location: Fralin Hall

**March 25, Wednesday**  
12:00 - 1:00pm
