Important notes about use of the garden and pavilion:

- You may use any caterer you would like or provide food and refreshments yourself.
- You must obtain an ABC permit to serve alcoholic beverages (many area caterers already have the license).
- Need a tent for additional space? Campus regulations require that you obtain a tent permit 30 days before the event through VT Facilities for tents larger than 900 sq ft. For more information go to [www.facilities.vt.edu/tent.asp](http://www.facilities.vt.edu/tent.asp)
