

European Scout Expedition July 9, 2017 to July 22, 2017

Planning has begun for the 2017 European Scout Expedition. This is a great opportunity to experience the world-wide movement of Scouting.

The trip will begin in Philadelphia, PA as you board an airplane that will land in Frankfurt, Germany. Then you will travel by train to Burg Rieneck, Germany where you will visit and participate in activities with Scouts from Germany. Burg Rieneck is a German Scout facility. Mid-trip, you will then again travel by train to Kandersteg International Scout Centre in Kandersteg, Switzerland where you will meet Scouts from all over the world.

During the Expedition, events will consist of eating a medieval meal, hiking, water activities, a visit to a village in the Swiss Alps, camping, and so much more.

The cost is approximately \$2,600 (includes program and travel).
