Republican Party

United States Senator from Texas

Public Overview:

- Senator Ted Cruz has openly and effectively expressed his dedication and motivation towards helping individuals with disabilities during his presidential campaign.
- He has been vocal about his commitment to the Americans with Disabilities Act, and has spoken on several different occasions about the passion he has in helping individuals with disabilities but does not go into detail on exactly how he is going to do so.

Campaign Website Statement:

Does not have an official campaign statement regarding disabilities

Quotes: “When it comes to people with disabilities, I give you my commitment. I will do everything I can as president to expand their independence, to expand their ability to work meaningfully, to empower them to have access and the ability to work and provide for themselves. I think that is a human dignity that every human being should be able and is entitled to be able to experience.” – *Senator Ted Cruz*
