

Hillary Clinton
www.hillaryclinton.com
Democratic Party
67th United States Secretary of State

Public Overview:

- On January 5th, Hillary Clinton released a proposal to support children and adults with autism issues, including employment, but has yet to issue a detailed plan for the rest of the disability community.

Campaign Website Statement:

Hillary Clinton has stated, through her campaign website, that she will:

- Realize the promise of the Americans with Disabilities Act (ADA).
- Improve access to meaningful and gainful employment for people with disabilities.
- Provide tax relief to help the millions of families caring for aging relatives or family members with chronic illnesses or disabilities.

Quotes: "We should acknowledge how the disabilities community has played such an important role in changing things for the better in our country." - *Hillary Clinton*
