
Saints' Alive

January 2016

Well, Christmas is over and we look forward to another new year and we are busily making all those well intentioned resolutions. It reminds me of when I went into our local YMCA one January and it was crowded. I asked someone, "Where did all these people come from?" They told me, "It's January, but don't worry they will be gone in February." Resolutions often remind us that true change is difficult. If we want to lose weight or stop smoking, it takes time. We not only have to make a resolution we have to make a plan and set a goal, and we have to track our progress.

This new year I'm sure will see many changes at All Saints'. The greatest of these will be the arrival of the new rector later this year. We have a lot of work to do before that happens.

The first thing will be our annual meeting on January 17 between services. This meeting is important because we will be electing new members to the vestry and these people will elect the new rector. We will have reports from committees of the church from the former year. We will also have a report on our financial condition. I hope everyone will make an effort to attend this meeting between services, since we are at a critical time in the transition process. We may have to make some hard decisions as we proceed in the coming year.

One of great things we will do is have an Inquirers Class for those who wish to be confirmed or received into the Episcopal Church. It is also open to those who are already confirmed, but would like a refresher course about who we are as Episcopalians. We will be starting the classes in February and will hold classes either between services or after the late service depending on schedules of the participants. The Bishop will be here on June 19 for those candidates who wish to be confirmed, received or renew their baptismal vows in the Episcopal Church.

2016 looks like an exciting year here at All Saints'.

Faithfully, Fr. Ken+

Thank You

We wish to thank all those that helped to make our Advent and Christmas celebrations so magnificent: Ryan, the choir and all the soloists; the altar guild and all their work; Loren Cordle, Susan Garber, John Hutchins, Dana Rice, the church school teachers, and children for their Christmas pageant; David Burnett and all his helpers in decorating the Church; John Hutchins and the youth for the great night decorating gingerbread houses; Brooke White for all the dinners and receptions during the month of December; Lynne Ann Anderson for all her work with extra bulletins for the month; and all of you who participated in our Advent events.

Greetings! This has been quite a year and it behooves me to share my gratitude with you.

Beginning with the day John Dukes announced his eminent departure there have been many tasks that found their way to my plate. However, just as the tasks appeared, solutions also came along.

First of all, I am grateful to Lynne Ann Anderson for all she did to assist me in finding these solutions. She knows where to find anything in the church and to reach anyone in the Diocese. She pointed me in the direction of the Diocesan website and the list of Supply Priests enabling me to fill the pulpit for the Sundays ahead. She continues to give me advice and counsel.

Then I am grateful to Gigi and Jim Sharp who were very helpful in the planning of special services. We had to get Holy Week together rather quickly! They also kept the Agape Services going on Wednesday nights and the Food on Foot ministry rolling along. They took on the pastoral visits when we had sickness and death to tend to. They are indeed amazing spiritual advisors.

We are singularly blessed to have a treasurer who knows the proper way to administer church funds. He's so good, he even assists on the Diocesan level! Skeet Jernigan knows his way around a computer program and is willing to explain things to a non-tech savvy person!

Keeping our Physical plant running smoothly is the job of the Junior Warden and George Giles is a perfect model for the job. There was never any reason to doubt that the building and grounds would not be in working order.

The members of the vestry did their part to keep the programs and services running smoothly. Everything about providing church for the members is a group effort. The 2015 Vestry certainly rose to the occasion; there are no slackers in this group!

Then there is our Search Committee who are hard at work on the prescribed path to finding a new priest. Their work must remain relatively confidential but I have the utmost confidence in each of them. They are clicking along with due haste.

Then there are you the membership. You're quick to respond when asked for help. Everyone has been good to show up when scheduled or send a sub. It really does "take a village" to have a service. I thank you for all you've done to help. It's very important that you continue to attend and participate.

By now we have Fr. Ken and Mother Donna here filling the Interim role and our boat is on much more stable course. We are in very capable hands.

The new year is ahead of us. We have a clean slate to work with. I have every confidence that All Saints' will succeed in the year ahead and I look forward to sitting in the pews with you in the coming year.

Thank you one and all for making a difficult year tolerable.

Yours in Christ, Sarah Gose, Sr. Warden

The Thanksgiving special food drive for Central Services was a heart-warming success. Father Ken blessed four large gray tubs plus one bushel basket filled with canned goods, etc. for delivery to Central Services. Thank you for your generosity.

Approximately 75 pairs of pajamas were delivered to the Food on Foot warehouse on Thursday, December 16. Your generosity helped enable Carolyn Jarnigan and her volunteers to provide new pajamas to all the children who came on December 19th to pick up their last food bag before the Christmas holidays. Carolyn and her husband, Bobby, extend to each and every one of you their heartfelt thanks for your help.

Marylou Mauney organized a group of volunteers from ECW and Lend a Hand to help Ruth Frederick move into her apartment at the Regency Retirement complex the middle of December. This group also organized and oversaw an estate moving sale for Ruth and afterwards packed the remaining odds and ends which were then donated. Several people participated in helping Miss Ruth get settled and she is very grateful to everyone.

The ECW chose to support CEASE at their Christmas party by bringing a gift for a woman who was in shelter. It was a fun project and helped make the holidays brighter for women who were in shelter. There are also tentative plans for a more "hands on" participation with this Organization starting sometime this year.

Another new project in the works for early 2016 is one that Sue Justis is organizing. We are hoping to start a monthly Bingo outing complete with a light lunch for the elderly living in nearby HUD apartments. We are excited about this new outreach program and hope many of you will join us.

During Advent we encouraged the congregation to make a special contribution to the Christian Veterinary Mission. These offerings were in support of Lynne Ann's daughter and her husband, Helen and Justin Woolsey, who are going on a two-year mission to Mongolia. As I write this, I am unable to give you a final contribution amount since the total was not available until the end of December. Helen and Justin are very appreciative of your support. They will need a continuing living allowance during the two years they are gone. If you would be interested in committing to monthly support in the amount of even as little as \$10 or \$20 a month, please see Lynne Ann or me.

I think the outreach projects my committee has undertaken this past year have benefited many and have been well supported by the congregation, and I am very grateful for your help. This is my last report as liaison since I am rotating off the Vestry, but I will remain as Outreach chairman so you will continue to hear from me regularly!. Thank you for allowing me to represent you on the Vestry these past three years.

Respectfully submitted,

Ginger Goolsby

Outreach Liaison to the Vestry

LARRY MCGOWAN

My family and I have attended All Saints' since the fall of 1987. If you do not know me it's probably because I attend the 8am service, typically with my wife, Blue.

Being on the vestry is not something I take lightly. It is an honor to be asked and real work if you are elected to serve. I have been on the vestry a few times. Once when the Rev. Smoky Oats moved on and again when Rev. Sherry Fouke was pastor. So I am not new to this and realize the time and effort that is required to be on the vestry

Currently, my interests lay in outreach. Myself and a few parishioners have set up Lend-a-Hand as a form of outreach within our parish and outside of the parish. Simply, it exists to provide assistance to persons who need minor repairs to their home, such as a sticking door to painting to raking leaves to moving furniture. Some work has been done outside the parish and this is an opportunity to be engaged in the community in a new way.

All Saints' is in transition - what exactly that means - I don't really know for sure. However, I am willing to serve on the vestry to try and determine with God's help and yours, how to best move forward as a parish and translate that out into the community at large.

SAM NEILL

I live on a farm in Greene County with my wife, Amy, and sons, Charlie (13) and Jake (9). We have attended All Saints' Church for 2 years and the boys have attended ASES since preschool. I own and operate an insurance agency in Morristown and currently

serve on the board of the Boys and Girls Club and as a trustee at All Saints School. Our family has enjoyed our last 2 years at ASEC, being active in the BBQ and youth, and look forward to raising our boys in the church. Thank you for consideration as a candidate for the vestry

**ETHEL RHODES**

I became an Episcopalian in 1969 and have been a member of All Saints' Church since confirmation.

My defection from the Presbyterian Church at age 19 horrified my parents, but they survived their embarrassment! During the past 47 years, I have taught Sunday School, served as Acolyte leader, served as a choir member and served two terms as a Vestry member after years of serving as Vestry clerk. I presently serve as a Board Of Trustees member at All Saints' Episcopal School. My personal ministry is seeing that Doug Burke has transportation to church services. I am a mother to three grown children, step-mom to two grown children and grandmother to 8 wonderful kids. I am married to Denver Rhodes. My hope for All Saints' is that we become a church to people of all walks of life and that all are welcome.

**DILLON WINES**

My name is Dillon Bradley Wines. I am 24 years old. I was raised in Newport, TN, where I was a member at the Newport Church of God from birth until I turned 18 and moved to Nashville, TN to attend

John A. Gupton Mortuary College.

After moving to Nashville I soon fell in love with attending different denominations, not only in a search for "the one true church", but to study their individual polity, rituals and most importantly their funeral practices. At a time when I had yet to attend the Episcopal faith I found myself desiring a church that was more structured and "churchy" than the Unitarian Church that I enjoyed, but also a church that had ritual and meaning like the Catholic Church that I also loved attending.

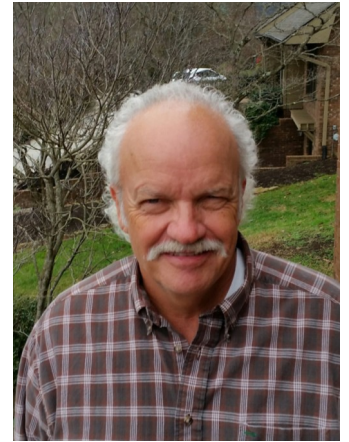

After 5 years of working at two of Nashville's largest funeral homes, and bouncing between the Unitarian and the Catholic Church. I felt that it was time to come back home to use the talents God has given me in my local community, and to be near my family.

I promptly began working at Mayes Family Services and after many in depth conversations with a good friend Rev. Dr. Howard Shipley, he was certain that I would love not only the Episcopal Church, but also the All Saints' community. I attended my first service at All Saints on May 3, 2015, and knew immediately that this place was the home church I had been looking for. I have not felt at home in a church for a long time. After a couple months of attendance, I knew that I wanted to become more involved with church. I then became an acolyte, and most recently a presenter.

I am very excited about more involvement within the church, and very honored to be a candidate for the vestry.

BILL MITRIK

My wife and I have been members of All Saints' since we retired to Morristown in April of 2015. I was baptized into the Episcopal Church when three weeks old at St. Andrew's Episcopal Church in Elyria, OH. I was also confirmed into the Episcopal Church there. I have been active in the Episcopal church over the years as an acolyte, lector, chalice bearer, and helped with the barbecue. I look forward to continuing to be active in All Saints' and consider being nominated for the vestry a privilege.

**WORSHIP MINISTRY CORNER**

Christmas has come and gone and hopefully everyone had a great season, peace, love and hope. Now is the time when we look toward the events which bring everything full circle in this liturgical year.

There is a flower chart placed in the parish hall for 2016. Please sign up for birthdays, anniversaries, memorials, etc. This is what pays entirely for flower tribute placed on the altar each week, and without these donations there would be no flowers. Please contribute for your special days.

We also urge parishioners to join our alter guild for it is a true honor to be part of this team and the hard work of these dedicated parishioners is one of the most sacred and selfless acts. Sign up today and be part of this incredible team. Interested parishioners get in touch with Shirley DeGroff head of the alter guild or myself.

David Burnette, Vestry Liaison for Worship.

YOUTH GROUP SCOOP

Our Youth and Children have had fun December with all their Christmas activities of Gingerbread House making, packing gifts at Central Services for less fortunate families and the planning, rehearsing and production of the Children's Christmas Pageant.

Youth Schedule for January 2016:

- School Snow Day Ski Trip!
- Jan. 10 KEY Dinner Church of the Ascension Knoxville
- Jan. 22-24 Senior High Sabbath at Grace Point
- Jan. 31 FLAMINGO FLOCKING STARTS!

Thank you parish family for all your support in 2015 and Happy New Year!

**Our Annual
Gingerbread Making
Event!**

The Vestry met with the Search Committee on December 6th where the Search Committee presented the All Saints' profile and where they are at in the search of a new rector for the parish. The vestry accepted the profile as corrected. The vestry is very thankful of all the spiritual hard work the search committee is doing.

Sunday January 17 at 9am is our Parish Annual Meeting where we will be having annual ministry reports and elections for new vestry members. The vestry looks forward to seeing everyone in the parish family there!

[The Vestry thanks our Parish Family for your support throughout 2015! May 2016 bring peace and comfort to all.]

Feminine Images in the New Testament

Bible Study will begin the new year by looking at stories about or involving women in the New Testament. Included in our explorations will be Jesus' use of feminine imagery, as well as those images found in Matthew, Mark and Luke. We will look at the writings of the apostle Paul in regards to women, including those troublesome "household codes" (wives submit yourselves to your husbands). Bible Study will resume on Wednesday, January 20th at 10:00 am in the Conference Room. We invite you to join our lively conversation, and consider inviting a friend to come with you.

The Rev. Donna Brown

With all the Christmas giving we do let us not forget the continuing needs of others who are less fortunate, in particular the Episcopal churches and missions scattered all over the world and the good they do in there various communities. Grants are issued for such diverse projects as providing a roof for a church in Wisconsin that otherwise would have to close, or constructing a hostel for women coming from rural areas in Tanzania to attend vocational training provided by the Anglican Church there, or to purchase bone density screening equipment to expand preventative health offered by the Cathedral Health Services in Phoenix, Arizona.

Remind your family that every coin they put in the UTO Box in thanksgiving for a blessing that they experienced that day is spent for the welfare of those who need help. None of the funds collected are used for administration of UTO. That is something else to be thankful for!

UTO boxes are available in the Narthex

Episcopal Church 101

Beginning Sunday, February 21, we will be offering an "Inquirers Class" for all those who wish to know more about the Episcopal Church. This class is open to those who wish to become members of the Episcopal Church, as well as for those who desire a refresher course about our church. Our Bishop will be at All Saints' in June to confirm or receive folks into the Episcopal Church, as well as invite people to renew their baptismal vows. The class will be held from 9 to 10:15 a.m. each Sunday. The cost of materials for the class will be \$15. If you are interested in participating, please let Father Ken or Mother Donna know so we can have an adequate supply of books on hand.

& About

Folks, we need help with the "out and about" adventure group!

We have had great fun and success with many outings this fall. It is time for some excited, interested people to join the committee and help with the planning! Now is the time!

Dear Parish Family and Friends,

I so appreciate the outpouring of cards, meals, love and support I received during my recovery from knee surgery and my Mom's passing. You all are special!

Thank you and love,

New Indexed Tuition Announced!**

All Saints' Episcopal School is excited to announce their new Tuition Indexing program for the 2016-17 school year. Indexed tuition is, simply put, a pay-what-you-can model for an independent school education. Cost is often what scares a family off when they consider enrolling their children. Such a program now makes a private education affordable and accessible to all, including middle income families that often make too much to qualify for traditional financial aid but not enough to afford the full tuition.
