
Saints' Alive

June 2016

When we think of June, we probably think of two events in most of our lives. One is graduation and the other is weddings. These are large life moments in most of our lives. They are moments of death and resurrection. In graduation we are dying to our childhood and rising to our adult life, and in marriage we are dying to our single life and rising to a new life of a couple.

In graduation whether it is from high school or college, we get a piece of paper that says that we have fulfilled the requirements for specific degree. Our parents are there and our friends are there and there are lots of hugs, tears, well wishes and parties, but graduation is only the beginning. The question becomes, "What do I do with that piece of paper?" In other words, "What do I do with the rest of my life?" Unfortunately many young people are so relieved to graduate they forget about the larger picture. The big questions cannot really be answered in a few days or even in a few months, but we do need to ask them from time to time to make sure we are on the path that is right for us.

Another big life moment is a wedding. A tremendous industry has grown up around the words, "I do". When we get married we also get a piece of paper from the state, a certificate of marriage, stating where and when and by whom we were married. Again we have parents and friends, lots of hugs and kisses and good wishes and a large reception. People go into a great amount of debt to tie the knot, but again the question arises, "What about the marriage?" or "will these two people through their love for each other, make the world a better place?" I'm often reminded of one of those black and white "God" billboards that said, "The wedding was wonderful, invite me to the marriage" signed God.

This June 19th, our Bishop is coming for confirmation. It is also one of those moments when people recommit to the faith publicly. It is one of the great days of our spiritual lives. Please join us that day to welcome who are being confirmed. I know it is Father's Day, but why not start the day off right and bring Dad to church.

We remember June because of the life moments that occur. Those moments that helps to shape and determine our lives, but they are simply moments. The real question is what are we going to do with those pieces of paper that we have stuffed in the drawer or are hanging on the wall. What do we do with those June moments in our lives to fulfill moments and our lives with joy, with God and with each other?

Faithfully, Father Ken+

Moving On

It is with a whole lot of mixed emotions that we, Fr. Ken and Mo. Donna, announce that we have new jobs as interims at the Church of the Resurrection in Loudon, TN.

We have greatly enjoyed all of our time here at All Saints'. We will miss all the great people here and all the wonderful times we had together. The search committee is hard at work interviewing candidates and we are sure that they will have a brand new rector for you soon.

Mo. Donna's last Sunday will be June 26th, and Fr. Ken's last Sunday will be July 31.

Many thanks again for all those that have worked so hard this past year to keep the church moving ahead and ready for a new rector and please remember to keep the Search Committee in your prayers as they enter this most critical period of the search.

Welcome June! May has been a busy month for All Saints'. Our financial results continue to be stronger than expected. Nice to see our new people coming back each week. We are blessed to have such a strong congregation.

May saw All Saints' Episcopal School's graduation. We celebrated Pentecost, graduations and Sundae Sunday all on the same day. And BBQ was a big success – selling out. I worked Thursday doing coleslaw and pouring sauce and the number of people that showed up to help was considerably larger than the past several BBQs. I hope all areas experienced the same turn out. Thanks to the Vicks for letting us make the sauce at their home again this BBQ. Thanks to Dan Dickens and all the people involved in getting the orders placed, logistics straight and recruiting all the other people to help in all areas. This is truly an act of love by all.

Seems Judy Anglin and her Parish Life team had a break in May. We really challenged them in previous months. Our thanks to everyone. Many of our parishioners showed up to help ECW with May's Bingo for the residents in the housing projects. And once again, it was a great success. They really do appreciate the meal we provide, and the games we play. But I feel they mostly enjoy just sharing that time with all of us. We really do have a blast. I hope others will help us in the coming months. It is a real act of community and fellowship with them. And fun!

The Search Committee continues to work with the diocese on finding us the rector called to serve All Saints'. We are starting to receive resumes as we continue to work on our interview questions.

All other ministries continue to do the work of the church. I am so pleased to see the continued commitment to doing the work of our church while we await our new rector. Please keep showing up!

Thanks for all you do.

Marylou Mauney
Senior Warden

Thank you everyone for the tremendous support on "Make Paul Rohe's Day". Over 500 food items were delivered to Central Services. Plus we had a good time celebrating Paul's birthday with his family. It was a good day for Paul and his family and the All Saints' family.

Since I have to submit this prior to May 22nd, the outcome of the effort to support Noah's Arc is not known at this time. The request for canned cat and dog food, plus the need for used towels, sheets and blankets are an ongoing needs for Noah's Arc.

ECW - Bingo with the Morristown Housing Authority is a huge success. Just come to one bingo and you will see why. We feed people and then enjoy a game of Bingo with them. Everyone seems to be happy those being served and those serving. June 8th is the next Bingo date with the Morristown Housing Authority. Also ECW is going to be sponsoring some area youths for Camp Billy Johnson.

Lend a Hand along with ECW will be providing a meal for the fathers at the Morristown Housing Authority on June 14th. Word has it the Marimba band will be performing after the meal.

Serenity House is another area that the Outreach Committee is considering. Possible partnering with St. Barnabas in Jefferson City is being considered.

Next Month, June 10th through June 15, the youth will have their mission trip to Grace Point Work Camp. Make sure everyone lets me know who is going with everything paid for through their fundraising this year.

WORSHIP MINISTRY CORNER

Parish family I would like to take this time to thank the families who have donated and offered the use of their gardens. This helps to provide flowers for our lovely altar. Thank you Barbara Garrett, George and Lena Giles, Ethel Rhodes, Raymond and Suzy Lowry, Jerry and Tykie Feldmann.

We also need help with acolytes and find people to help on the Altar Guild.

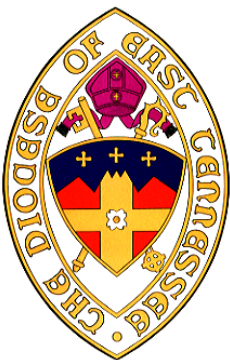

Thank you very much,
David Burnette , Vestry Liaison for Worship

Building & Grounds

This past month has required more attention than the last several. With Spring time growth, a lot of deadwood became evident in the Japanese Maple at the foot of the entrance ramp. The center is now rather open, after removing that wood. I hope that doesn't continue! Weeds are also appearing through some of the mulch so they have been sprayed along with grass in the playground. Repairs were required inside the church on both drink machines and the rear door to the parking lot. Recycled cans were also sold, and yes we do recycle our cans! And now for the big item! The furnace/air conditioning unit in the undercroft area has been very noisy for quite a while, which made that area almost unusable. We had it checked out and one of the two air conditioners was found to be totally dead and the noisy part was unrepairable. The vestry voted to replace the system and that has been completed. All heat and air units should be good for many years!

Evangelism Is Alive and Well at All Saints'!

Whether it is a major event like the Spring BBQ, or a couple of baptisms on a holy day like the Day of Pentecost, or a special recognition of our high school youth upon their graduation, one thing is certain: the Holy Spirit is living and moving among us at All Saints' Episcopal Church, guiding us, inspiring us, and breathing life into our parish! At the BBQ, everyone working outside experienced the mighty wind, which blew the smoke away from the butts on the pit and wrecked havoc with the tents out front.

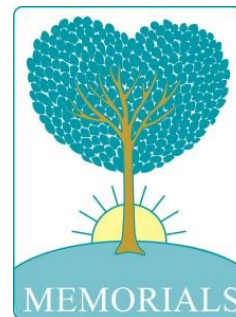

The following day, most all of us came to church wearing red for the Day of Pentecost, where the processional kite flew over our heads to signify the Holy Spirit, and we welcomed two cousins, Riley and Corrina, into the household of faith as they were baptized.

I have a theory: Spiritual respiration is a bit different from the physical, in that when we inhale, breathing in this life from God's Spirit, what comes out when we exhale is Love. Love of God and love of neighbor. Thanks be to God.

Our next Evangelism meeting is Monday, June 6, at 6:00 p.m. in the Memorial Room.

Please accept my gratitude for your gracious many prayers and financial support of my daughter, Helen Woolsey, and her family as they set off to Mongolia to serve as missionaries through Christian Veterinary Mission and VET NET.

By the time you receive this newsletter, they should be in Ulaanbaatar, Mongolia unpacking and finding their way around.

I will keep their ministry letters posted in the Parish Hall.
