
Saints' Alive

October 2015

Dear Parish Family,

The leaves on the trees are starting to change which means that fall is upon us and that means it is time for Stewardship. Most people think that the word stewardship was thought up by some church official to mask the fact that the church is asking for money. But stewardship is actually a very old word; we even see it in the Bible. A steward was a manager of a property that was owned by someone else. In one sense Adam and Eve were stewards of the garden, and that didn't work out to well. Jesus also used the image of stewards in many of his parables.

When we really think about it, we are stewards of everything that God has given us. There are many people who think on one level or another, "I worked hard for my money and it's mine." Those people forget that God has given them the time and their health so that they could work and make the money. Today we give back to God a portion of our time, our talents and our money. Last month we pledged our time and talents during our Rally Day. On November 1st we will be making our monetary pledge to the church for 2016. During October we will be hearing a lot about stewardship and money, not only from the clergy, but also from parishioners telling their stories of their stewardship journeys. Later in October we will be sending out a letter with a pledge card for you to fill out and bring to church on November 1.

One very important matter we all need to consider in our giving for the coming year is that the vestry will be calling a new rector for All Saints' Parish. Your financial pledge for next year will greatly determine the salary that will be offered to prospective candidates. It may also determine the number of candidates we receive. So it is important that you be as generous with your commitment to the parish as possible. We often hear people say, "I'm on a fixed income." When we think about it, everyone whether they are working or retired is on a fixed income. God knows our circumstances and only wishes a portion in return for all He has given us so freely.

Please consider carefully and prayerfully your pledge for the coming year during the coming weeks.

Faithfully,

Fr. Ken+

Trivia: The original property for the church was bought in 1896 for \$500, to be paid as \$100 down and \$100/ year until paid. The original five members paid for this by selling baking soda, extracts, and spices.

The Outreach Committee met Tuesday, August 13.

The committee is planning a special Thanksgiving food campaign for Central Services. We will place a basket in the Narthex the first of October, and we would like to see how many times it can be filled up before the Thanksgiving holidays. The director says the foods they are most in need of are:

Any canned vegetable - especially Green Beans and Peas

Dried Beans (maybe add packaged corn bread mix for a complete protein)

Any canned fruit - the favorite is Peaches

In addition to the above items, feel free to add other food items, especially canned meats and other proteins.

Lend a Hand has a painting job under way which required scraping before paint application. They also have some other tentative plans in the works. Be sure and see Larry McGowen or me if you know of a need.

Outreach is going to continue to fill food bags for Food on Foot. I have been told by Carolyn Janrnigan that we provide more continuing support for them than any other church. Our contributions are very much appreciated and they count on us to provide food as well as distribution help on the fourth Saturdays of each month. Agape will continue to be the second and fourth Wednesdays of each month. Come join us on Wednesdays at 5:30 or on the fourth Saturday of each month at the Food on Foot warehouse at 10:30.

The Vestry met Saturday, September 19, to start work on a plan we titled "Setting Our Sights on the Future." We will combine the thoughts from our meeting with the results of the Parish Survey and come up with a vision for the future of All Saints' Church. I don't know what the final plan will actually look like, but I am very excited about the results of our meeting. One thing you can count on is that we will be expanding our Outreach and Evangelism ministries.

I wish to extend to each of you my sincere appreciation for your continued support.

Blessings to all,

Ginger Goolsby, Outreach Liaison to the Vestry

Setting Our Sites on the Future

The Vestry met on Saturday September 19, 2015 for a retreat expertly prepared by Mother Donna Brown. The focus of this retreat was to develop a vision for All Saints' Episcopal Church and where we want to see ourselves in 3-5 years. Several areas of interest were focused upon to develop this vision. These areas are listed below with the e-mail addresses of the contact persons. If one or more of these areas are of interest to you, please share your vision with us. We will begin to share our efforts with the parish on November 15 & 18.

Setting our Sights on the Future Wednesday Evenings + Dinner 5:30

- Where we have been + October 7th
- Where we are now + October 21st
- Where are we going + November 4th

An important part of setting our sights on the future is to look at where we have been as a parish. We do this, not to long for the "good old days", nor do we do it to duplicate what once was. But we look at our history to discern the strengths of our congregation over the years. We stand on the shoulders of previous generations of folks who built our buildings, purchased an organ for our worship, started a school, and initiated outreach projects that continue to serve the community outside the doors of our church.

On Wednesday, October 7, at 5:30 Deacon Jim Sharp will lead a discussion on Where we have been? We invite each of you to come to contribute to the conversation, and to celebrate the richness of our past.

On Wednesday, October 21, Deacons Jim and Gigi Sharp will lead a discussion on Where are we now? It is important when we plan a vision for the future to be realistic about the joys and challenges that we live with now.

On Wednesday, November 4, we will have a conversation on Where we are going? The Search Committee has invited your input in their September meetings, the Vestry discussed this at their retreat on September 19th. Using the information gathered during those sessions, the vestry is currently clarifying a vision for All Saints' as we move forward in the coming months and years.

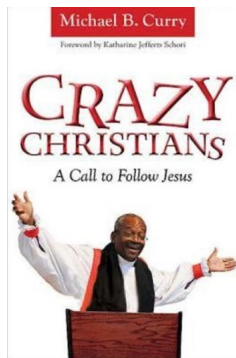

Please join us for these important conversations.

Stewardship Schedule

October is going to be stewardship month at All Saints'. There will be some sermons by the clergy and personal stories from our parishioners about their stewardship journeys. Then later in October we will be sending out a letter and a pledge card. After carefully and prayerfully considering your pledge we ask that you bring pledge card to church on Sunday November 1. We need to get all the pledge cards in as soon as possible, so that the Search Committee can determine the salary package for your new rector.

Your Search Committee wants to thank all of you
for your kind participation and enthusiasm!

We have had close to 120 participants!
We appreciate your honest input and know that
your inspired responses will lead us
to the right spiritual leader!

Stay tuned for the results!

Pledges are down since January. Urgent help needed to catchup !

[Jordan Millern is the daughter of Margaret Fox
 and the granddaughter of Diane Fox.]

Last school year, 7th grade student Jordan Millern, was invited to participate in the Duke TIP program due to her high TCAP test scores from 6th grade. The TIP program allows young gifted students to take the ACT to determine where their education can be improved upon or rounded out. Jordan took the ACT in February and received a combined score of 25.

There were a total of 64,481 middle school students, from across the nation, that participated in taking the ACT. Of those 64,481 students, 2,230, the top 4%, qualified for the Grand Recognition Ceremony. Jordan was in that top 4%.

All students were celebrated at their State Recognition Ceremony for being able to participate in the Duke TIP program to begin with. The top 4% achievers were invited to attend the Grand Recognition Ceremony to be held on the Duke University Campus. Jordan was fortunate to be asked to attend. There were 500 students that were able to attend. Some of the students came from as far away as Hawaii and Alaska to be celebrated, at Duke University, for all their hard work.

We are gearing up for a busy next three months with working our BBQ, Doggie Bone sale fundraiser and start getting sponsors for our walk-a-thon on Youth Sunday, November 8. Our Sunday School is moving right along with the curriculum for Youth 2014-15 "Re:Form" and curriculum for Middle School "Rite 13" lead by Dana Rice.

Youth Schedule for October:

- Oct. 2 – 2pm Blessing of the Animals in parish playground
- Oct. 16/17 12pm-6am BBQ pit & Doggie Bone Sale
- Oct. 18 5pm-9pm KEY Dinner at St. James
- Oct. 24 10:30-1pm Food on Foot bag distribution
- Oct. 24 DCYM (ACT) Knoxville

WORSHIP MINISTRY CORNER

Parish family the holiday season will soon be upon us as we start to gear up for all of our traditions. I feel traditions and ritual are steeped in the very foundations of the Episcopal faith and with them we can feel God's love and compassion.

November 1 is All Saint's Day and the church is having a festival for the memories of our dearly departed ones that have gone on to be in God's love and glory. I urge everyone that has lost someone they loved to please send the name of the departed to Lynne Ann in the church office so they can be named on that day and a bell will be rung in their honor along with their names being in print in the service sheet. This is a very important tradition that we remember all that have died before us.

The flower guild is asking for special donations so there can be special flower tribute on the columbarium and we need your help. This is a day we must embrace and cherish and make this a tradition each and every year from this day forward. We can make a beautiful festival to honor our love ones that are in God's love.
