
Saints' Alive

April 2016

Dear parish family,

The Easter season is finally here. Although it seems rather early, some people say that we just celebrated Christmas. But I think that always happens when we celebrate Easter in March. Easter is a wonderful time of year because it is spring and the Easter message is one of hope, and renewal. It is a message of forgiveness and reconciliation. We are glad that Lent is over and we can eat or do all those things that we gave up for Lent. Easter is a time of growth. It is a time to put into action those positive things that we learned about ourselves during our Lenten discipline.

During Lent we had a series of videos on forgiveness. Maybe during this Easter season we should put into practice some of those ideas that we learned from that series by Barbra Crafton. Probably one of major points about forgiveness is that it is a free gift from God. The second thing we have to remember is what forgiveness is not. Forgiveness is not forgetting. It is not acquittal. It is not pardon. It is not a matter of degree. Forgiveness is a process. Another important factor we often forget is that we have to learn to forgive ourselves and that is sometimes very difficult. We also need to remember to pray for those that we need to forgive or need to forgive us. Prayer is a powerful tool that we often forget to use in our lives, especially when it comes to forgiveness.

Easter is a time happiness and hope. Please remember that your attendance at church is important as the weather gets warmer and we have more demands on our time. Also please remember to pray for the church and for the search committee in its important work, as we move into summer. Let us all work on growing in our faith not only looking back to our Lent but also looking ahead to where God is calling us to go in the future.

Faithfully,

Fr. Ken+

Submit stories/pictures for website.

Our All Saints' website is kept up to date with content emailed by church staff, vestry, and chairpersons to the webmaster at carolyn@ricedeangraphics.com. It is just like Saints' Alive except there are no deadlines for submission. Ideas and suggestions for web features are also always welcome.

Buildings and Grounds

1. You may notice on our east side lot that the two vastly overgrown bushes are no longer there. They were overhanging the Baptist's parking lot and had grown totally out of control so I chose to have them removed.
2. With spring upon us, the weeds are coming back with a vengeance. If you Lay-weeders will give a little of your time, at your leisure, we can keep them under control.
3. In the parish hall you will notice a new donated speakers podium and on the wall a new TV that was approved at the last vestry meeting and now has been installed.
4. Hopefully by the time you read this you will see new mulch applied to the church flower beds and may have received a call from me for your help.

Altar Servers NEEDED!!!!

We need more Lectors, Ushers, Acolytes, & Chalice Bearers, especially for the 8AM service.

Can you help?

Training is available for these honorable positions. Please see or contact the Rev. Gigi Sharp for details and to volunteer. You will be glad you did!

WEDNESDAYS at ALL SAINTS'

WEDNESDAY MORNING BIBLE STUDY – We will be studying the Book of Acts, which is a history of the early church. It is an energizing and exciting book of the Bible that describes the work of the early church, including Paul's early missions as he builds new churches around the Mediterranean world. Please join us at 10:00 a.m. in the Conference Room.

WEDNESDAY EVENINGS – Beginning April 6, we will continue with supper served at 5:30 p.m. followed at 6:00 p.m. with a DVD series entitled "Embracing an Adult Faith". It is led by biblical scholar Marcus Borg, and is a resource for those seeking a richer understanding of issues in contemporary Christian practice and theology:

Who is God?

What is Salvation?

How do we practice our faith?

How do we live in community?

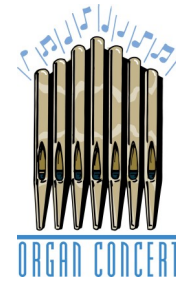

The session will end at 7:00 p.m.

WORSHIP MINISTRY CORNER

Parish family Easter has come and gone and I hope everyone had a splendid day! Warmer weather is coming and I encourage parishioners who have gardens of flowers to donate them for the Altar. We will come, cut and transport them to the church. Those who do not have floral gardens I encourage you to sign up on the flower chart in the parish hall. This is a great way to remember special occasions such as memorials, anniversaries, birthdays and any other special days. Altar flowers totally depend on your donations and we are forever grateful for any and all! Please sign up so we can always have a beautiful Altar on our Lords table!

Our Youth and the Youth Advisory Board thank our spiritually generous parish family for all your giving and loving support that made our Youth's March absolutely rock! With your help Flamingo Flocking rolled until the second week in March and their rescheduled Pancake Dinner followed by the parish's annual talent show, that many of you participated in, was a great success. Then with your supplying over 1,600 eggs, candy and money enabled our Youth in their out-

reach of helping run the Children's Easter Egg Hunt/Picnic/Game Day at Morristown Housing Authority, which brought much joy and love to the people there and also enabled our Youth to run our Parish's Children's egg hunt Easter morning.

Vestry Liaison for Youth

Special Thanks to John Hutchins and crew for beautiful setting at Youth sponsored Pancake Supper!!!

It is a busy spring for our Youth Group!
Thank you to everyone for your
never ending support!!!

As the new vestry liaison for Outreach I want to thank Ginger Goolsby for doing an excellent job as vestry liaison and chairperson of Outreach. And lucky us she will continue as Outreach chairperson for this year. Below are a list of activities that Outreach is involved with currently, or will be not too far down the road. Take this as an invitation to participate. Yes there is an Outreach committee however you do not have to be a committee member to join in or support a particular activity. Also if you have an idea or a group in the community at large you feel could use our support please let Ginger or I know. Below is a rundown of what Outreach is doing and what was discussed at the January meeting.

Several members of the congregation helped distribute food bags at the Food on Foot warehouse on Saturday, February 27. On March 26 we helped distribute family food bags for Easter along with Easter baskets for the children. Two hundred boxes of macaroni and cheese were delivered and then packed by volunteers at the warehouse, but we will continue to fill individual bags on Wednesday nights to be distributed at a later date.

On February 2, Sue Justis, Marylou Mauney and Ginger Goolsby attended Bingo games at the Morristown Housing Authority (MHA) providing prizes for the winners. They also attended the Bingo games on March 15th and provided refreshments. The April Bingo games will be held in the Parish Hall at ASEC...with a possible BBQ luncheon to be served. Sue and her committee are excited about this new project and hope that many others will join in. Another MHA event comes in June with All Saints' sponsoring a Father's Day event. This will take place on Tuesday, June 14th at 4pm. Lend a Hand and ECW will be taking this event on. It entails providing a meal for all the Fathers in the MHA and will take place at the MHA.

Sending children to Camp Billy Johnson is in the early planning stages. Again, this will be done under the ECW "umbrella". ECW will be having a birthday party at CEASE once a month for the residents. Lin Mitrik has volunteered to head this up - however will need some additional volunteers to help her a couple of hours or so each time.

The Outreach project for Easter was helping provide the youth with candy and eggs...some of which were used for the children of ASEC, but a large number of filled eggs were donated to MHA for the children's Easter egg hunt there.

Canned foods continue to be donated to Central Services.

Another large bag of chemo caps were made and donated by Louise Dyer. Father Ken blessed the caps on Sunday, February 28. The caps will be donated to the UT Cancer Center in Sevierville. Don't throw away your scrap yarn as Louise has a very good plan for it.

As mentioned above Lend a Hand and ECW will be providing a meal for the Fathers in the MHA. Two garden beds have been constructed for Hidden Treasures out by the BBQ pit. They do not interfere with the BBQ but are off to one side of the area. Thanks to Wanda Kirby and the local Master Gardeners for coordinating this project. Master Gardeners are sponsoring some of the clients at Hidden Treasures. They are doing so by supplying them with gardening tools, gloves etc. We are supplying a garden bed and others are assisting with garden tools which I might add is another opportunity for parishioners to be involved. Other Lend a Hand projects in the works are painting at the CEASE shelter and finishing up a painting project started last fall at a residence in Morristown.

Outreach Committee will be meeting April 5, 2016 at 6pm in the Memorial Room at All Saints' if you are interested come join us.

Respectfully submitted,

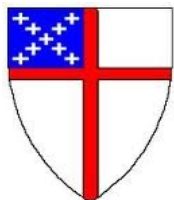

Larry McGowan, Outreach Liaison to the Vestry

United Thank Offering

Spring was here for several weeks prior to Easter for which I was really thankful as it allowed me to kill the weeds, hopefully for all summer, that had thrived over our warmish winter. I am also grateful daily to have avoided any germ diseases so far this year. There are important things for which to give thanks but there are the small ones also...such as the good news from my younger daughter, a gossipy call from my grandson, and the new asparagus recipe I tried which was easy and delicious. Before you close the house down each night, think of at least one thing which happened that day for which to be grateful. Then put a coin or two in your Blue Box. You help others in doing so, and maybe sleep better also!

Judy Bartholomew, UTO Chair

Many thanks to all who helped to make my mother's funeral and reception so very special. My family members all commented on how beautiful the service, the flowers, and the reception all were. Your support was very much felt and appreciated.

Much love, Gigi

Our keynote speaker is the Rev. Mary Catherine Akamatsu. After spending 25+ years in the private sector (space and defense industry), the Rev. Akamatsu heeded the call of the Holy Spirit, leading her into the priesthood. She received her Master's of Divinity from Sewanee in 2012,

During the afternoon on Saturday we will have an opportunity to be entertained by Judy DiGregorio. Judy is a workshop presenter, writer and humor columnist; she has been recognized at the Southern Festival of Books in Nashville. Her humorous essays and light verse have appeared in anthologies, newspapers and magazines The Army Times, The Writer, ByLine Magazine the Chicken Soup books, and more. She is the author of three humor books: Life Among the Lilliputians, Memories of a Loose Woman and Tidbits; she will have some of her books available for purchase at the retreat.

See [Judy's website](#) for more information.

There will be several opportunities for interaction with one another, during afternoon and evening activities.

This will be a fun-filled, yet spiritual weekend for all of us and we are so looking forward to seeing many of our friends across the state!

The flyer for the retreat is attached as is the registration form. Both are also available on the ECW webpage at <http://dioet.org/Formation/episcopal-church-women.html>.
