
Saints' Alive

July 2015

It was a good feeling to be at All Saints' my first Sunday here, and to see a number of familiar faces. And it is good to be here as your interim priest. Ken and I look forward to what we hope is a meaningful and productive time together.

Our interim will be different this time because there are a number of things that we are required to do during an interim time. While the search committee is focused on seeking a new spiritual leader for your parish, we will be working with the vestry as we focus on preparing All Saints' for a healthy transition to your next rector.

There are five developmental tasks the vestry and Interim clergy are required to do during this interim time.

- Coming to terms with the history of this congregation and its relationship with previous clergy.
- Discovering the congregation's special identity, what it dreams of being and doing apart from previous clergy leadership.
- Dealing with shifts in leadership roles that naturally evolve in times of transition, allowing new leaders to come to the fore constructively.
- Renewing and reworking relationships with the Diocese, so that each may be a more effective resource and support to the other
- Building commitment to the leadership of the new rector in order to be prepared to move into the future with openness to new possibilities.

SEARCH COMMITTEE

The Vestry of All Saints' Episcopal Church announces the appointment of the Search Committee who have the task of finding a new priest to fill our pulpit.

We ask that you add these intrepid parishioners to your prayers:

Judy Yates, Chair

Jack Fishman, Chaplain

Virginia Carey

Jason Dockery

Susan Fuhr

George Giles

Marylou Mauney

Harold Nichols

Wayne Stambaugh

They will lead us through the process beginning with the Parish Study and ending with the call of a priest.

Sarah Gose, Sr. Warden

[From our Interim Rector...continued from page 1]

At first glance you may feel these tasks are unnecessary, however, experience has proven that the harder your vestry leaders work on addressing these tasks, and the deeper they delve into each one, the greater the opportunity for you to have a healthy, meaningful relationship with your next rector.

But this interim requires something on your part also. Several months ago my eight-year-old granddaughter complained that she didn't like to practice the piano, she just wanted to be able to play it without practicing! I reminded her that in almost anything that she wants to do well, it requires practice, patience, and perseverance. A few weeks later when I was teaching her how to sew, I reminded her of the "Three P's". She looked at me and repeated them, practice, patience, and perseverance. Then, another thought lit up her face, and she added the word PRAYER!"

Now we call them the "Four P's!"

As we move forward in the coming months, I urge you to have patience for the processes that are taking place. As your senior warden wrote several months ago, "Choose in haste, regret in leisure."

And, please keep your vestry, the search committee, your clergy, the people of your parish, and your next rector in your prayers!

Mother Brown

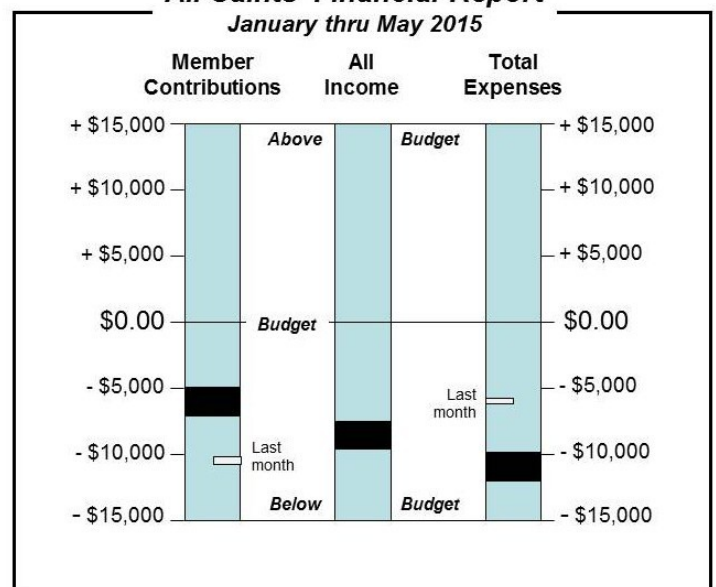

To all of you who pitched in and grabbed some weeds, I want to express my thanks. You may have noticed some major pruning has taken place around the church. I hired Ramon from "Just Right Landscaping" to do the job and to my delight, Glenn Thompson had done most of the front saving a big chunk of money. So between them the big job is done. We may have to put up with heavily pruned shrubs for a while but they will grow back soon. Also to the McGowan's for clearing the back side beds. Again many thanks to all who helped!

ECW Food & Wine Pairing Event Held **To Benefit Camp Billy Johnson**

The ECW of All Saints' Episcopal Church in Morristown hosted a Food & Wine Pairing on Sunday evening, June 7th. The event served as a fund raiser to assist local children in need to attend Camp Billy Johnson ~ one of the diocesan outreach camps held at Grace Point Camp & Retreat Center each summer.

ECW President, Ms. Marylou Mauney, contacted parishioner and Executive Sommelier, Ms. Jill Bruce, with the thought of doing a fund-raiser for CBJ. The event was enthusiastically planned with many volunteers from the church and underway! Approximately 50 women from the church and the Morristown community were in attendance. Guests were met with an aperitif of sparkling wine upon arrival before sitting down to beautifully set tables surrounding the swimming pool. The venue was at the home of Ms. Bruce. Floral arrangements were designed and styled by parishioner, Mr. David Burnette.

The five course pairing included a French Goat Cheese Appetizer, Tangerine Vinaigrette Salad, Rosemary Encrusted Pork Tenderloin with Green Beans, Sausage & Penne Marinara. A dessert course of Roasted Pear with Bleu Cheese & Candied Walnuts finished the evening. The women were served by the men of All Saints' with a wine complimentary to each dish. With the pairings, Jill introduced the wine, described the nuances of each of them, as well as spoke on the history of the growth of the grapes into fine wines. Very informative ~ and fun!

The gathering was a wonderful success in fellowship and stewardship.

A fabulous evening ~ and one made even more so ~ with a large amount of funding raised - all used to send children from Hamblen County, who may otherwise never have the opportunity to go to camp. *A week at Camp Billy Johnson....a week of swimming, fishing, tubing, creating, playing, and sharing on beautiful Watts Bar Lake.*

Surely, God is present in this place!

BBQ made just over \$11,000. The Browns' contract, approved by the Bishop, is on its way back to us. Motion to approve resolution regarding Mother Donna's housing passed unopposed.

New Business: Jernigan requested approval to make purchases on ASEC credit card on behalf of the Diocese for the stewardship conference. This will be reimbursed. A motion in this regard was passed unanimously.

MaryLou Mauney requested that Jill Bruce be reimbursed about \$1200 for the ECW wine tasting. Motion in this regard passed without opposition.

Sarah Gose announced the Stewardship Conference; the Mauneys and Ginger Goolsby plan to attend.

Mother Brown is here on Sundays and Wednesdays and is always available for pastoral emergencies.

Jean Coffman is having a garden party to benefit All Saints Episcopal School, on June 19.

[Continued on page 5.]

[Vestry Highlight for June continued from page 4.]

Committee Reports:

Outreach: We are sending 5 local children to Camp Billy Johnson. Request made for volunteers to drive and feed children to camp (July 6) and from camp (July 11).

ECW: Kudos for the wine tasting event, which raised enough to send 5 kids to camp.

Youth/Children: VBS with First Presbyterians; VA Creeper Trail on June 20; Sunday School curriculum in place for fall.

Adult Formation: Committee will meet in July or August to plan fall curriculum.

Junior Warden: Ramone has agreed to prune the shrubbery for \$700.

Senior Warden: Need to decide on date for Rally Day (before or after Labor Day). Discussion held regarding reducing price of frozen BBQ and running ad for BBQ sales in Citizen Tribune prior to 4th of July.

At this point, everyone left the meeting except for the Vestry and Canon Pat Grace and Search Consultant Maggie Zeller, and the Vestry presented and reviewed potential Search Committee members and reached a consensus of 9 parishioners to serve on the Search Committee, as well as a list of alternates in the event someone declined the invitation to serve. From these names, a consensus was reached for the Chair and the Chaplain of the Search Committee.

The meeting was adjourned at 8:55 p.m.

WORSHIP MINISTRY CORNER

Greetings Parish Family, I hope all is well for everyone and their families. Summer is upon us which leads to vacations and many endeavors.

I would like to take this opportunity to say to those of you who have never had the privilege of serving on the Altar, "It is such a blessing!" Sometimes serving may appear intimidating, but please know training is available for many of the positions serving the Altar...Acolyte servers are a great place to begin your participation. Serving as an Acolyte is open to youth and adults. If you are interested please contact Jay Gose, Gigi Sharp or myself. I want you to realize that when you serve it is honor, blessing and a holy experience.

David Burnette, Vestry Liaison for Worship

Mother Donna reminded us that faith, like tiny mustard seeds, needs to be planted in order to grow. Project Canterbury, our young adults ministry, is growing like mad!

The formula for success was pretty simple. We engaged the interest of two newcomers: college students Jose Sanchez and Collis Cody Nelson. We then had a few family dinners with them wherein we all tossed around ideas about how to share the Gospel among young adults. Almost immediately they began to invite their friends to these family dinners/planning meetings! Behold! Project Canterbury was born.

I can tell you that these young people, now numbering about 15-20 at our gatherings, are hungry for the good news of redemption and, more importantly, how to share it. Currently we are in the middle of a Bible Study which everyone seems to enjoy. Here's how it works.

First, we eat. Pizza, soft drinks, cookies and chips, or whatever. Then we take turns reading selected scripture passages that go along with short video homilies by Rob Bell (in his "Nooma" series). Some have never tried to find their way around the Bible before; others are old hands at "Bible Drill". In either case we are discovering the Bible and reading God's word together! Then we watch the 12 minute homily. *And then we talk.* Boy is that holy! *The sharing of deep thoughts and hopes and questions is spiritually intimate.* If time permits, we do another set of readings and a video. I am humbled to be a part of their lives.

We close by standing in a circle and praying some of those lovely prayers of the vesper time from Evening Prayer or Compline. Then we go our separate ways. This ministry is a blessing to all of us. If you are an older adult who enjoys working with younger adults, please feel free to join us. We aim to serve young people ages 17-26 (roughly), so please help us pass the word.

Even though the Outreach Committee did not have a meeting last month, things have certainly been happening!

After approval by the committee that had been working on this proposal, the contract with Hidden Treasures has been signed. This contract will allow Hidden Treasures to build raised beds in the area adjacent to the barbeque pits to teach gardening to the special needs young adults who are currently participating in their program. This particular program is set to begin in the fall and will be overseen by Master Gardeners working in conjunction with Hidden Treasures.

Lend a Hand is currently working on one small project. Please contact Larry McGowan if you have a need or know of a need that this group can help with.

The Agape Feed and Be Fed Service is being held only on the second and fourth Wednesdays of each month during the summer and we would love to see you there. We still need food donations for this endeavor as food bags are being distributed by Food on Foot not only on Saturdays but also on Wednesdays during the summer. If you would prefer, you can make a small donation and we can combine that with other contributions to be able to purchase food in bulk. Please memo that your donation is for Food on Foot.

ALPS' 24th annual Walk to Remember will begin on Saturday morning, July 25, at 8 a.m. The walk will start at the ALPS Center and will be an easy round trip walk thru Olde Towne. This year our own Ruth Frederick will be the Grand Marshal. Anyone donating at least \$50 will receive an ALPS Walk tee-shirt, so lace up your walking shoes and come join the ASEC team.

Don't forget to bring a can or two of food for the Central Services basket. This has been a long-standing project of ASEC and one that is very much needed. Unfortunately, hunger does not take a holiday.

I have saved what I think is the best for last! This year 15 children from across East TN will attend Camp Billy Johnson at Grace Point, including one child from our church. Your generosity to the ECW Food and Wine Pairing fundraiser enabled us to provide scholarships for five children and the ASEC youth contributed a sixth scholarship. The money for the remaining nine children is being paid by the Episcopal Diocese of East Tennessee. This is the very first time children from Hamblen County have been chosen to attend this camp. I have been working with Carolyn Jarnigan registering these children and there is so much excitement. The Tribune is going to write an article about this project and include pictures of the children as they leave the Food on Foot Warehouse on Saturday morning, July 6. There have been so many people who have worked very hard to enable us to provide this wonderful camp experience to children who would not otherwise be able to afford to go. To all of you who helped in any way to make this possible, I extend my heartfelt thanks.

Blessings to all,
Ginger Goolsby, Outreach Liaison to the Vestry
