The National Women's Political Caucus (NWPC) endorses women for public office. NWPC is a multi-partisan grassroots organization dedicated to increasing women's participation in the political process and creating a women's political power base to achieve equality for all women. NWPC LA Westside is a chapter of the NWPC CA state organization. We work to recruit, train, and support pro-choice women candidates for elected and appointed offices and at all levels of government. For more information on NWPC LA Westside, please visit our website at nwpclawestside.org. If you would like to help elect more women to public office, consider becoming a member!
