

Our National Recycling Program

How it Works

Phone: 508 879 2760

NMR Is A Proud Member Of:

What Type Of Mattresses Can Be Recycled?

Foam

Inner Spring

Cloth Covered

Vinyl Covered

Mattress Recycling – Easy As 1-2-3

1. Stage the mattresses in a dry area

2. Load the mattresses into the trailer provided by NMR

3. NMR hauls your mattresses to our processing centers

2.5 million hotel mattresses are replaced each year in the U.S. which

Consume 1,000,000 cubic yards of landfill space
and produce 10,200,000 pounds of

Together

**We'll keep your mattresses out of landfills,
and create such products such as:**

Carpet padding

Oil filters

Tools and other metal products

Together

We will track your recycling activities

In 2012

You can easily recycle all your mattresses with NMR

You will support your sustainability efforts

You will keep mattresses out of local landfills with this easy to implement recycling program

SUSTAINABILITY

It's not just a word, it's action!
