

TORREY PINES ELEMENTARY SCHOOL
SCIENCE DISCOVERY DAY
SAVE THE DATE:
WEDNESDAY * MARCH 25, 2015**
8:30-11:00 AM

CALL FOR PRESENTERS AND EVENT VOLUNTEERS

Science Discovery Day at Torrey Pines turns 20! Be a part of the most popular school-wide educational event in La Jolla. For the past 19 years Science Discovery Day has inspired budding scientists with hands-on, age-appropriate science and technology activities. To celebrate our 20th year, we want to make this Science Discovery Day the most exciting event yet. To make that happen, we need you.

Are you a professional in a science or technology related field? Do you know a fun, unique, or gross science activity or experiment? Are you gifted at working with small groups of children? Great! Science Discovery Day wants you! Please volunteer to be a presenter at the 20th Annual TPES Science Discovery Day. If you have friends or neighbors in the sciences please encourage them to participate in the fun. It is the presenters that make this day such a joy for the students every year

Each student gets to experience **three 30-minute** different science activities. With our ever increasing student population we need lots of presenters-which means we need YOUR help to make this amazing morning a reality!

To join us for a morning of fun and learning, please complete the form below and return it to the Torrey Pines Elementary School office, or better yet-email it to one of us. For more information or to discuss ideas for your presentation, please contact us.
