

The screenshot displays the Engrade Pro user interface. At the top, a blue navigation bar contains the 'engrade pro' logo, 'Districts', and 'Apps' links. A black profile picture placeholder is visible in the top right corner. Below the navigation bar, the 'Account >' section is active. On the left, a user profile for 'David Goldsborough' is shown with a placeholder image. To the right of the profile, a blue box contains the text: 'Users with multiple roles within BCPS One will now see a new role indicator next to their account name. The role indicators are as follows: D=District, SA=School Administrator, T=Teacher, S=Student, P=Parent'. Below this box, there is a 'Phone Number' input field, a checkbox for 'Email me when I get a new Engrade message', and a green 'Submit' button. On the far right, a dropdown menu is open, showing options: 'Manage Account', 'Change Picture', 'Switch Account', and 'goldsboroughstatcounselo (SA)'. A red arrow points from the blue text box to the role indicator '(SA)' in the dropdown menu.
