

#### What is "Revival"?

Restored. Vintage. Repurposed. Transformed. Renewed. "Revival" is an unprecedented home design showcase featuring ten home vignettes, each made up of previously owned furniture and accessories. Many of the pieces will be restored or reimagined to create a dramatic effect in each setting, and *all* will be available for sale through silent auction. Individuals or teams of decorators, designers and creative visionaries have volunteered their time and resources to create vignettes. "Revival" is co-presented by Needham Bank and Dedham Savings.

### When is "Revival"?

"Revival" kicks off on Saturday evening, March 28, 2015 with a Preview Party. Preview Party ticketholders will be the first to view and bid on the ten vignettes in a cocktail party setting complemented with music from members of Longwood Opera. Sunday, March 29 is a less formal way to enjoy the showcase of the ten inspired vignettes. Sunday participants may also participate in the silent auction.

### Where is "Revival"?

"Revival" takes place in the new Marriott Residence Inn located at 80 B Street in Needham, MA.
