\* Revival is a two-day event kicking off with the Preview Party. Only a limited number of tickets are available to the party, which takes place Saturday evening, March 28. Preview Party ticket bearers may return the second day, Sunday, March 29, during the informal designer vignette showcase, any time between noon and 4pm. Preview Party ticketholders have the option of attending the early Preview Party, 5-7pm, or the later Preview Party, 7-9pm. If you would like to attend Sunday *only*, tickets are \$20.

The proceeds of Revival will enable Circle of Hope to serve Boston's homeless and at risk children, women, and men by providing essential clothing for dignity and health, school and work, and a future of self-reliance.
