

2015 VETERANS IN BUSINESS CONFERENCE

Celebrating 10 Years of Service to Veterans!

Please join the Small Business Development Center at Community Business Partnership for the 2015 Veterans in Business Conference. The conference will be held on March 26, 2015 at the Army Navy Club in Arlington, VA.

2015 Keynote Speaker: Maria Contreras-Sweet became the 24th Administrator of the U.S. Small Business Administration and a member of President Obama's Cabinet on April 7, 2014. She is a successful entrepreneur, business executive, and state cabinet official. Throughout her career in the public and private sector, she has been a champion of diversity, access to capital and equal opportunity for all Americans.

The Veterans in Business Conference strives every year to provide not only the best speakers and networking opportunities in the industry, but also to bring you relevant, useful information that will help you start and grow your business. And this year, I am truly proud to feature the following workshops:

The Reconnaissance Track is designed for small businesses that have little or no experience in federal procurement and/or business ownership. These workshops offer a broad brush from experienced professionals on the aspects of creating a successful veteran owned small business. Workshops include:

- Capture Planning, Proposal Development and Win Strategies
- Getting and Maintaining Your Security and Facility Clearance
- Going Local - City, County and State Government Contracts

The Deployment Track is designed for veterans who have already broken into the federal marketplace and are seeking knowledge to grow. This track brings seasoned veteran owned contractors and prime contractors in as presenters to inform and inspire owners as they seek to grow their federal procurement businesses. Workshops include:

- How to Survive in an LPTA Environment
- Federal Government Forecast - OSD BU Panel
- Sources of Funding Following Contract Award

General Admission: \$150
