## MEET OUR NEW ASSISTANT PRINCIPAL

Since the middle of July, Mrs. Rachel Zilbering has been working at The Silver Academy as the new Assistant Principal. Prior, she was Chair of the Department of Mathematics at Boiling Springs High School, where she taught for the past 10 years.

Mrs. Zilbering holds a Bachelor of Science degree from SUNY Stonybrook, teaching certification from Wilson College and a Masters in Educational Administration from Temple University. In addition to her experience as a teacher and administrator, Mrs. Zilbering served as the Webmaster for the South Middleton School District for the past seven years.

A native of Fair Lawn, NJ, Mrs. Zilbering has lived in the Harrisburg area for 12 years. She, along with her husband, Assaf, son Joel (5) and daughter Alina (2) are active members of Beth El Temple. While in college, Mrs. Zilbering took what she describes as a "life changing" trip to Israel with Hillel, and is enthusiastic about the opportunity to work in a Jewish day school environment. They are especially excited that Joel is attending Kindergarten at The Silver Academy and Alina is at The Early Learning Center.

At The Silver Academy, Mrs. Zilbering oversees all areas of our General Studies education, including curriculum development, professional development for faculty and support services for our students through the Capital Area Intermediate Unit, as well as assisting Mr. Chasan in enforcing school guidelines. In addition, she will lead us as we continue our work toward accreditation by the Pennsylvania Association of Independent Schools, and take an active role in the development of our new technology plan.
