

Have you ever wanted to say more than *shalom* in Modern Hebrew? Do you want to understand what your Silver Academy children are talking about? If so, it's time to enroll in *Conversational Hebrew with Morah Sarah* (aka Sally Jo Bronner). The class is aimed at beginners but other levels are welcome as much of the class will be working in small groups.

**This class is *purely conversational*. *No knowledge of the alef-bet* required.**
