

Answer...

You hit the bull's eye if you named Cheryl Woren, our school nurse, as the dart champion. Cheryl and her husband, Michael, were members of a Harrisburg area steel-tip dart league. They participated in tournaments locally and advanced to the championship tournament in Chicago, where Cheryl was named the women's singles champion, and doubles-champion, along with her partner, Michael.

Pursuing a job opportunity, Cheryl and Michael moved to Portland Oregon, where Cheryl worked as a post-partum nurse and case manager in health insurance. After five years, they moved back to our area. Cheryl and Michael now live in Hampden Township and have four children, Hannah; twins, Sarah and Joshua; and Zachary. Today, Cheryl is busy with her children's activities...no dart competitions, however, she finds time to participate in triathlons and half-marathons.
